

BK Birla Institute of Engineering & Technology, Pilani (Raj.)

Department of Computer Science and Engineering

Program Educational Objectives (PEOs)

PEO1:

Able to apply fundamental knowledge of mathematics, science and computer to analyse and accomplishment of engineering challenges.

PEO2:

Able to follow ethical attitude, professionalism, effective communication skills, entrepreneurship, interdisciplinary and leadership skills to solve the issue for Computer Science and Engineering.

PEO3:

Able to apply concepts of scientific and engineering knowledge to analyse, design and prototyping novel solutions for the real life problems of industries in Computer Science and Engineering.

PEO4:

To create supportive environment for learning, aware of technological trends and research, inspired and life-long learning required for a bright and successful professional career in Computer Science and Engineering.

PEO5:

To prepare the students for the work excellence in industry and higher education, by educating and skill transfer with high moral values and knowledge in Computer Science and Engineering.
