

1.3 Curriculum Enrichment

1.3.1: Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability in transacting the Curriculum

The institute follows the curriculum made by BTU in this regard till the year 2019-20 BTU had prescribed the Course entitled HUMAN VALUS in their curriculum. This was subsequently suspended and replaced by the BUILD ENVIOURMENT COURSE of three lecture hours and two practical hours in first semester as well as in the second semester. The students are divided in two batches and half the batch does the course in first semester and other half does in second semester. Seeing the engineering nature of this course the faculty the background in civil engineering teach this course and conduct its laboratories.

The institution has adopted a learning by doing approach in sensitizing students to green issues. Students are explore to a water harvesting schemes on campus and carry out an annual tree plantation drive besides this part NCC training credits participation in tree plantations outside the campus. To make socially aware BKBIET has carried out a number of programs in campus. In the KHEDLA a little Campaign is carried out a seven days camp under NSS, Joy of giving week under NIRMAN, YOGA camp are some of these notable example . Further anti-drug Campaign, stress management & SWACH ABHIYAN as well SAWCHTA PAKHWARA were conducted. A three-day RAMCHARITRA MANS katha is organized in 2020. Workshops and personalities development and communication skills on regular basis .An active NCC runs on campus

1.3.2: Percentage of students undertaking project work/field work/ internships (Data for the latest completed academic year)

All students excluding first year under take project work as well as internship as part of BTU curriculum therefore the percentage of students undertaking such work is 65.69%.

Percentage of students undertaking project work/field work/ internships (Data for the latest completed academic year)	65.69%.

Organized by
IETE Student's Forum, IETE Pilani Centre & CEERI ladies club
BPTRC-Hall-1, BKBIET-Pilani
7th March 2020

REPORT

A one day workshop on "I am Generation Equality: Realizing Women's Rights" was organized by IETE Pilani Center and IETE Student Forum on the occasion of International Women's day i.e. 7th March, 2020 for making women aware of their rights and giving them information on various topics like Mental Fitness, Gender Equality and Mobility through body Alignment and Nutrition.

The workshop was attended by women from various professions including the housewives and college going girls who were really eager to attend a workshop which was one of its kind. The workshop was divided in III sessions.

The program was started with the holy name of god i.e. lightning of lamp. The guest of honors were Mrs. Sangeeta Raj Singh, Mrs. Shikha Joshi, Dr. Sonia Gupta and Mrs. Jaya Pathak. The bouquet was presented to our guest of honors.

Theme introduction was given by Mrs. Dolly Agarwal

Session I: Mental Fitness: The guest of honor: Mrs. Shikha Joshi, Psychologist, M Power, BITS Pilani. She told us about the Stress in daily life, how to identify depression and have some activities with the audience to feel stress free life.

Session II: Gender Equality: Dr. Sonia Gupta, CEERI Dispensary Pilani. She gave a talk on gender equality and motivate womens for their rights.

Session III: Mobility through body Alignment and Nutrition: Mrs. Jaya Pathak, Principal, Mandelia school-Pilani: She gives the simple tricks about how to be in perfect body postures while doing our daily jobs to avoid physical disorders.

The Chief Guest: Mrs. Sangeeta Raj Singh, Chairman, CEERI Ladies club: She congratulate the ladies present there and discussed various aspects of the workshop theme. She appreciated the information given during workshop by different speakers and also shared her experiences.

Vote of thanks: At last the vote of thanks was proposed by Dr. Krishna Meel, Faculty Advisor, ISF-BKBIET, Pilani.

About 70 ladies attended this event. Everybody enjoyed and benefitted by this workshop. They even suggested to conduct such type of workshops at college level in future.

Clean and Green Campus Initiative

Date: 23.03.2023

Initiatives taken to keep clean and green campus:

1. **Natural compost pits:** Multiple compost pits have been made to collect all the tree leaves, green waste or residual. It is then used for creating manure, all the waste is collected and buried in the pit and is let to decompose to form natural soil fertilizer. Also the green vegetable waste from mess is used to decompose in the pit which is used for kitchen garden in the campus.
2. **Tree plantation:** Tree plantation is carried out throughout the year on the occasion of world environment day, monsoon arrival, and First year-orientation etc.
3. **Green House (nursery):** Small scale nursery in and around the campus, used for growing plants and flowers for recreational and medicinal uses.
4. **Waste Segregation:** All the waste collected throughout campus is segregated and the Natural/Organic waste is used for compost creation.
5. **Rainwater harvesting point:** Total five sites on campus are present that are used as rain water recharging sources to increase the water level ground water.
6. Utmost care is taken to develop and maintain green landscaping by **trained gardeners and supervisors.**
7. **More eco-friendly campus:** Encourage students and staff to use electronic devices instead of paper wherever possible to reduce paper waste and promote more eco-friendly campus.
8. **Limit food waste:** Encourage student and staff to reduce food waste by compositing food scraps, donating excess food to local charities or using food waste as animal feed.
9. **Offer environmental knowledge:** Provide students with opportunities to learn about environmental issues and get involved in environmental organizations on campus to raise awareness.

PROJECT UTSAAH

This project is centred on the vision to empower women, in which we provide vocational training that enables women to make career choices. We also provide machinery, such as tailoring machines, so that they can work, and we also provide work to them. Because schools require uniform, our work is to connect those women with the school so that they can grow. Most of the working women under this project are from nearby basti areas so it's been easy to work with them. Plus, we also organize awareness campaigns. Such as during COVID times, there was mask distribution and awareness programmes were held.

PROJECT UDAAN

In the context of Project Udaan, we conduct clothing drives during which our crew visits many bastis and distributes clothing in line with the season.

We have 4 to 5 bastis where these drives are completed as part of this project. In every two months, the drive is conducted as usual. We offer clothing for adults of all ages as well as toys for their children. Additionally, surveys are often carried out to determine their needs, and information is gathered to operate various initiatives or examine various methods of assistance.

OTHER EVENTS

Events like Republic Day, Independence Day, Teachers' Day, etc. are also joyfully celebrated by students and the team members to explain the significance of these occasions in our life and the reasons we cherish them.

Various holiday celebrations include Janmashtami, Christmas, Holi, and other local occasions.

Gifts and sweets are distributed at these occasions.

REPUBLIC DAY

HOLI CELEBRATION

The significance of local festive events is also a part of educating oneself, which is done during the events by our mentors, volunteers, and teachers.
Celebrating these events creates a sense of belonging and creates bond between children and volunteers. It also provides us opportunities to learn something new every day, sometimes by our teachers and sometimes the locals teach us about the surroundings.

RAKSHABANDHAN

Rakshabandhan is a special occasion to celebrate an emotional bonding between brother and sister. Rakhi is a 'strand of protection' that does not allow any discrimination.

All volunteers are like brother-sister to the students, tied together with a strand of love.

As all Indians are brothers and sisters. #nationalanthem

All the NIRMAAN kids tied rakhi on the hands of the NIRMAAN volunteers. We distributed chocolates, fruit & Study kit. We also played games and enjoyed a lot.
