## **PREFACE**

CAM-2025 is a Centralized Admission process for M.Tech. and M.Arch. programs offered at various government and private colleges of Rajasthan. CAM 2025 is conducted by Bikaner Technical University (BTU) Bikaner, Rajasthan. The information brochure is an important document designed and published to help the candidates seeking admission in the first year of Postgraduate Programmes leading to Master's degree in Government aided and private unaided technical institutions of Rajasthan of Bikaner Technical University (BTU), Bikaner and Rajasthan Technical University (RTU), Kota.

All the admission will be made through Centralized Admission for M.Tech./M.Arch. for the academic year 2025-26. Authorized details of admission through CAM 2025 will be forwarded to respective universities for enrollment purpose. All unauthorized admissions will not be considered for enrollment. Candidates are advised to read this information brochure carefully before applying for CAM 2025.

## **IMPORTANT UNDERTAKING BY THE CANDIDATE**

“Candidate must ensure the following important undertaking before applying for CAM 2025”

I \_\_\_\_\_ (name of applicant) S/D/o \_\_\_\_\_ hereby undertake that:

1. I have read all the guidelines (information brochure and on website), eligibility conditions for respective programmes for which I seek admission through CAM 2025.
2. I am aware and abide by all eligibility criteria as mentioned in brochure and ensure that I fulfill all such conditions for taking admission in M. Tech./M. Arch. Programme.
3. I undertake that I shall provide only authentic information and the entire document uploaded/provided are self-attested. In case any information given by me is found incorrect at any point of time, my admission/candidature will automatically stand **CANCELLED** without any further reference. I will be solely liable for all the consequences and my registration fee will be stand forfeited.
4. I am aware that after submitting the application form, I would not be able to change any information at any stage through online or offline medium.
5. I also understand that I have online paying facility (UPI/Credit/debit/net-banking/QR Code) to pay the registration fees.
6. I also understand that any grievance or complaint shall not be entertained after taking admission in the respective course.

# 1. About Bikaner Technical University

**Bikaner Technical University (BTU)** is a Technical State University located in Bikaner in the state of Rajasthan. It was established by the Act. No. 29 of 2017 by the Government of Rajasthan to enhance the technical education across the state. The university is located in the western side of Rajasthan in Bikaner district. University is located about 10 km from the Bikaner railway station and 22 Km from Nal Airport.

The Hon'ble Governor of Rajasthan Shri. Haribhau Kishanrao Bagde is the His Excellency Chancellor, and Prof. Akhil Ranjan Garg is the Hon'ble Vice-Chancellor of the University.

The aim of the University is to provide quality technical education which may help Rajasthan in its technical development and will boost technical environment in the country. The University offers almost all the disciplines related to technical education including Bachelor of Technology, Master of Technology, Master of Business Administration, Master of Computer Applications, and Bachelor of Design. Recently Bachelor of Business Administration and Bachelor of Computer Application are also included as per AICTE guidelines. BTU also offers Ph.D. programs in Engineering and Technology from various research centers.

The Bikaner Technical University currently affiliates about 32 Engineering Colleges, 01 Architecture College, 12 Colleges offering MCA, 20 Colleges offering MBA. BTU also host 19 Research Centers of various Engineering, Management and Computer Application field. BTU nurtures the academic growth of more than thirteen thousand students studying in the various constituent and affiliated institutes.

Thousands of students graduate from the University every year and many attain post-graduation. The University is making steady progress in developing and providing best technical environment for education and will continue to serve the state and nation in coming years.

## 2. List of Available M. Tech. and M.Arch. programmes

The tentative list of the available M. Tech. programmes and concerned affiliated colleges of BTU and RTU for the session 2025-25 is mentioned in Seat Matrix.

### 3 College Fee Structure

The allotted candidate has to pay an installment of college fee (as per the decisions taken by State Level Fees Committee) before reporting to first allotted institute in that particular institute. Once the candidate has deposited this fee, he/she has not to deposit any fee at the time of subsequent reporting to upward allotted institute, if any. This fee deposited by candidate will have to be reconciled and exchanged between each other appropriately by participating institute within the time line of four weeks from the last date of final upward round centralized admission.

### 4 Important Dates and Tentative Schedule

The tentative schedule of all activity for the admissions through CAM 2025 is mentioned in the **Schedules** on the CAM 2025 website ([www.btu.ac.in](http://www.btu.ac.in) and <https://btucam2025.com> ). The tentative schedule may change as per the direction of State Government/AICTE/UGC/any other competent authority. Candidates are required to visit the website regularly as updates will be uploaded on the website of CAM 2025 only.

### 5 Eligibility Criteria for Admission

Admissions for the session 2025-26 will be based on valid and eligible GATE Score. **However, candidates without GATE score but possessing B.E./B.Tech. degree or equivalent (As mentioned in Annexure I) can also apply.** It is important to mention here that the scholarship offered in M.Tech./M.Arch. for GATE qualified candidates shall be as per AICTE norms. For more details about AICTE scholarship, candidates are advised to visit:

<https://www.aicte-india.org/schemes/students-development-schemes/PG-Scholarship-Scheme>

**Candidates who appeared in qualifying degree examinations in the academic session 2024-25 and possessing valid GATE score card need to upload their marksheet of passing the qualifying degree before the last date with their login credentials to <https://btucam2025.com> , and present the marks sheet of qualifying degree examination at the time of reporting to the allotted institute positively, failing which their candidature shall be cancelled.**

A candidate must ensure their eligibility for admission in various M.Tech./M.Arch. programmes in the affiliated institutions and University Departments of RTU Kota and BTU Bikaner before filling up the application form of CAM-2025.

If a non-eligible candidate is admitted due to any reason, then the admission of such candidate will be cancelled even at the later stage.

## 5.1 Minimum Qualification Required

AICTE guidelines of APH 2024-27 Annexure 8.3 will be applicable to the candidates seeking admission for M.Tech./M.Arch. Programme. Candidates must ensure following minimum qualification.

- (i) A candidate must hold B.E./B.Tech. degree in appropriate discipline mentioned in Table 4 from RTU/BTU or any other recognized University/Institution or any other examinations recognized as equivalent thereto by competent authority.
- (ii) Candidate must have minimum 50% (5.75 CGPA on 10 points scale and equivalent) marks in the qualifying degree examination (45% or 5.25 CGPA on 10 points scale of relaxation is admissible for SC, ST, OBC, MBC, SBC, PwD and EWS candidates). If a recognized university has an approved conversion formula of CGPA into percentage then it will be applicable on producing the certificate of conversion from the concerned University. Otherwise AICTE approved conversion formula will be used i.e., Equivalent **CGPA = Percentage/10 + 0.75**.
- (iii) Candidates having B.Arch. degree and seeking admission to M. Arch/M. Plan programmes should possess 50% (5.75 CGPA on 10 points scale and equivalent) and 45% (5.25 CGPA on 10 points scale and equivalent) in case of reserved category, as per requirement of COA.
- (iv) Candidates with qualifications obtained through examinations conducted by professional societies recognized by MHRD/UGC/AIU/UPSC/AICTE {e.g. AMIE by Institute of Engineers (India); AMICE by Institute of Civil Engineers (India); IEE} as equivalent to B.E./B.Tech.
- (v) Candidates having M.Sc./MCA seeking admission to certain M.Tech. programmes should possess valid and qualified GATE score of the relevant branch. The equivalency of any degree for admission to any Programme will be decided by respective University.
- (vi) The eligibility criteria given in the following Table are minimum and mere possessing the same does not qualify the eligibility for admissions. University/ies may prescribe any other requirements over and above these conditions.

#### Definition of SC/ST/Non creamy layer OBC/Non creamy layer SBC Category:

The benefit of reservation under SC/ST/Non creamy layer OBC/Non creamy layer SBC /MBC categories etc. shall be available only to the candidates of the castes as notified under Presidential order for the State of Rajasthan, and EWS for which, the certificate should be issued by the competent authority. It is further clarified that candidates belonging to creamy layer OBC/creamy layer SBC category are not entitled for reservation benefits and shall be treated in General category, therefore, creamy layer OBC/creamy layer SBC and EWS candidates should fill General category in their application form.

Acronyms of various categories are as follows:

Category-I	Category-II
GEN – General	Ex-S – Ex Serviceman
OBC – Other Backward Class (Non creamy layer)	PwD – Person with Disability Physically
SC – Scheduled Caste	
ST – Scheduled Tribe	
Other SBC–Most Backward Class (Non-creamy layer)	
TSP – Tribal Sub Plan	
EWS- Economically Weaker Section	

## 7 Medical Fitness

A candidate desirous of admission to various Master's degree programs required to submit Medical Fitness Certificate at the time of reporting in the allotted institution on the prescribed form certified by a Medical Officer of the Government of Rajasthan or competent authority.

## 8 Registration Fee

A candidate is required to pay a non-refundable **registration fee of CAM-2025, which is Rs. 3000/- (Rs. 1500/- for SC/ST/OBC(non-creamy layer)/PwD/MBC/EWS category)**, and can be submitted online through QR code provided on website or payment gateway facility with additional credit card/debit card/net banking/other online payment gateway charges. In any payment mode through QR code or payment gateway, candidate is advised to keep the receipt/transaction Id details safely for further use. Registration fee is non-refundable, non-transferable and non-adjustable anywhere in any case whatsoever.

## 9 Centralized Admission for M. Tech. (CAM 2025)

Candidates seeking admission to Master of Technology (M. Tech.) and M.Arch. programmes in affiliated/University departments of Rajasthan Technical University, Kota and Bikaner Technical University, Bikaner shall participate in the CAM-2025. Application form is to be submitted online on <https://btucam2025.com>

The candidate must fill all the details carefully as required in the online application form.

### 9.1 Admission Process

The notification for CAM-2025 has been published in the National/State level Newspapers as per the tentative schedule. All candidates (whether having a valid GATE score or not having a valid GATE score but, fulfilling the eligible qualification as given above) are required to complete all the stages of admission process given below. The admission process is divided into following stages:

- i. Stage I: Online registration and fee payment,
- ii. Stage II: Filling of application form,
- iii. Stage III: Online choice filling,
- iv. Stage IV: Seat allotment,
- v. Stage V: Physical reporting and admission
- vi. Stage VI: Upward Movement

## 9.2 Stage I: Online registration and fee payment

A candidate is required to register online on CAM 2025 website to fill details including: -

**Name of the candidate –**

**Mother's Name –**

**Father's name –**

**Date of birth –**

**Mobile no. --**

and submit it to register themselves for CAM 2025. A challan no. will be generated which is used for the application form fee payment which a candidate has to keep safe.

The next step is to pay the application form fees of CAM-2025, which is Rs. 3000/- (Rs. 1500/- reserved category). Fees can be submitted online through QR code or payment gateway facility, where a candidate is required to fill the online details of their net banking/ credit card/debit card/ UPI/other online payment gateway details. **A candidate is required to pay any other admissible charges as per the requirement of online payment gateway, as applicable.** A transaction ID will be generated after the payment. The online choice filling/selection of college, branch will not accept entries without the transaction ID.

## 9.3 Stage II: Filling of application form

The candidate needs to fill the application form with their personal and academic details as per the requirements. In this section of the application form, a candidate is required to fill details like: -

Personal, Address for correspondence, educational qualifications details, GATE score details, etc.

If the information submitted by any candidate is found to be fraudulent, incorrect or untrue, the seat allotted (if any), shall stand cancelled and his/ her fees deposited shall be forfeited and he/she will also be liable for legal action. The CAM-2025 will not be responsible for any consequence arising out of non- acceptance of any correction/addition/deletion of any data of the application form after clicking the “Submit” Button.

Candidate are advised to take print out of application form after final submission, which will be generated by the web portal for four – five days and before the last date of the form filling. The application form with relevant documents will be required at reporting institutes. A reporting institute is where the admission has been offered to the candidate. **The candidate is required to bring their originals documents at the time of reporting at the allotted Institute.**

## 9.4 Stage III: Online choice filling

The eligible candidates, who have registered, made the payment of application fees and have filled the application form successfully and has uploaded the required documents as scanned images preferably in .jpg format: Photograph in jpg format, Signature in jpg format, GATE score card, qualifying exam marksheet etc. will be considered for seat allotment and subsequent admission. In this stage, all the valid registered candidates are required to exercise their choices of programs and institutes in order of their preference for these programs / Institutes.

The choice filling procedure is as follows;

- i. To participate in the choice filling process, the candidate has to login for 'Fill option form'.
- ii. The procedure for exercising choices and seeking pertinent information would be guided through appropriate messages and tabs on the computer screen.
- iii. Available seat information relating to institutions, department and Programme are displayed in seat matrix on CAM 2025 website. It would be the responsibility of the candidate to ensure that he/she fulfills all the necessary eligibility conditions of a M.Tech./M. Arch. programme before registering/choice filling for the concerned programme.
- iv. Candidates can fill in at the most ten choices in the order of preference as they wish from the list of available programmes. It is advised that candidates should fill a number of possible choices so that "No Allotment" condition due to choice exhausted would not arise.
- v. Candidates are permitted, if they so desire, to change or re-order their choices, delete earlier choices and add new choices any number of times until they take print before the last date before taking print. Choices will be automatically locked after taking print/the last date/time.

## 9.5 Stage IV: Seat allotment

As per the tentative schedule, the choices submitted by the candidates will be processed centrally and seats will be allotted in the order of merit (as per the rules of merit) on the basis of the locked choices. The allotment of institute and specialization to the candidate will be carried out through the computer software by strictly following the order of merit, seats available, reservation rules and the order of options filled by the candidate. **The allotment result will be available on the CAM-2025 website as per the tentative schedule.**

### Seat Allotment Procedure

The seat allotment is divided into various rounds as per the requirement and convenience of the candidates into various M. Tech./M.Arch. programmes.

### First round:

- vi. In this round, seats will be allotted to all registered candidates on the basis of their choices and merit list criteria.
- vii. All allotted candidates are required to report physically to the allotted institute for document verification and college fee submission.
- viii. In case of a candidate who has not reported to the allotted institute within prescribed time as per the schedule, his/her allotment will be canceled. However, He/she may register again as a new candidate in the special round with payment of registration fees.
- ix. If a candidate wishes to surrender his/her occupied seat, he/she needs to submit the seat surrender form to the Institute and also required to submit his/her consent online on the link (seat surrender option) on CAM 2025 website. After completing the seat surrender formalities, his/her registration will be canceled.
- x. If a candidate fails to produce a valid GATE score and eligibility, his/her allotment and candidature will be canceled and he/she will not be allowed to occupy any seat. However, with valid eligibility, he/she may register as a new candidate in the special round with paying new registration fees.
- xi. **If a candidate has not been allotted any seat due to exhaust of choices, he/she will be considered automatically for second round of upward movement.**

### Second / Third round/s:

- i. This is an upward movement round, where a candidate is essentially required **to submit his/her consent ONLINE** for upward movement against the reported seat in the first round. In that case, the candidate is required to first report physically to the allotted institute in the first round.
- ii. After his/her consent for the upward movement, his/her earlier allotted seat would be available for allotment to subsequent candidates only if, a candidate has got his/her higher preference, otherwise his/her seat will remain same. In case, his/her seat does not change, he/she is not required to report again.
- iii. After the allotment in the upward round/s, the candidates are required to report physically to the new allotted institute for document verification and college fee submission. In case, a candidate gets the same Institute, but different branch in the upward round, then also, he/she is required to report again at the new allotted seat.
- iv. A candidate who has not reported to the new allotted institute/new seat in the second round as per the schedule of the second round, his/her allotment will be canceled. He/she shall not have seat allotted to him/her in the first round too, now. However, He/she may register again as a new

candidate in the special round with payment of registration fees as applicable to the special round.

- v. The point no. iv-v of First round will be applicable for surrender/withdrawal, non-fulfillment of eligibility criteria in this round also.

**Special/Spot round (if required):**

- i. If any seat remains vacant then the special round may be held.
- ii. The seat matrix will be displayed on website for the vacant seats.
- iii. Any interested candidate may register for this round by paying registration fee directly to the respective college/institute. Further college/institute will consolidate and deposit the registration fee for all admissions through spot round to the CAM 2025 office with details of admitted students.

**9.6 Stage V: Physical reporting and admission in the allotted Institute**

- iv. A candidate, who have been allotted seat shall require to report at the allotted institute as per the tentative schedule.
- v. Provisional seat allotment letter may be printed from the CAM-2025 website using their login details.
- vi. Candidate should paste their recent color photographs on the application form (registration form) with one additional colored photograph with them.
- vii. Candidates are advised to carry two sets of self-attested photocopies along **with original documents at the time of reporting** to allotted institutions. Following documents shall be attached along with a latest color photograph identical to the photograph uploaded with the online application. The order of relevant documents as per their applicability are;
  - i. Provisional seat allotment letter,
  - ii. Application form with a colored photograph,
  - iii. Class X(High School) Board Certificate as proof of date of birth,
  - iv. Mark sheet of Class XII,
  - v. Consolidated Grade/Mark sheet of qualifying degree,
  - vi. Qualified and valid GATE score card, if any,

- vii. Valid Certificate of category (OBC/SBC/SC/ST/EWS, Non-creamy Layer as applicable), if applicable, issued by the competent authority,
- viii. Undertaking by OBC/SBC/EWS in required format, if applicable,
- ix. Certificate for Person with Disability (PWD) issued by the competent authority, if applicable,
- x. Certificate for Ex-service men, if applicable,
- xi. Domicile certificate,
- xii. Aadhar card
- xiii. Conversion certificate for converting CGPA to percentage from the recognized university in which you have passed your UG degree
- xiv. Migration certificate

The allotted institute will be responsible for checking the documents and other required certificates with originals. A candidate has to deposit the course fee and caution money to their allotted institutes. Other fee such as development, hostel and mess may be deposited at the time of start of the classes. Information regarding hostel facilities can be obtained from the allotted institute. Once the checking with originals has been done, original certificates will be returned back to the students. The candidates need not to submit their original documents to the allotted institutes, the originals are only required for verification purpose. The original documents may be required by the allotted institute again for University enrollment.

## **10 Surrender & Withdrawal:**

- i. If a candidate wishes to surrender his/her occupied seat, he/she needs to submit the seat surrender form to the last allotted institute, and also required to submit his/her consent online on the link provided on CAM 2025 website within prescribed time line. After completing the seat surrender formalities, his/her registration will be canceled.
- ii. The institute has to report the surrender of the candidate latest by the date given in the schedule so that the seat which has been surrendered by the candidate may be included in vacant seats for further allotment.
- iii. If a candidate surrenders his/her allotted seat on or before the specified date, he/she will get the refund from the allotted institute with the deductions of processing fee and administrative expenses.
