ABOUT BKBIET

B. K. Birla Institute of Engineering & Technology is one of the premier Industry-oriented and application-driven institutes in India. Shree Krishnarpan Charity Trust, under the Chairmanship of renowned industrialist Mr. Basant Kumar Birla, set up BKBIET in 2007.

The Institute has been true to its commitment in providing quality education in Engineering and Technology. Our strong alliances with leading international universities, industries and professional bodies have increased access to latest education, opportunities for engagement and exchange, collaborative research and innovation for our students and faculties. We believe the best way to help BKBIETians meet challenges is to provide a supportive and enriching environment.

VISION

Excel as an outstanding application-oriented and innovation-driven engineering institute. Inspire future Engineers to apply technology for solving real world challenges.

MISSION

Create a platform for igniting ingenuity and path-breaking engineering applications for the India of future.

Directors Message

It gives me immense pleasure to present the Annual Magazine of BKBITE, a reflection of our unwavering commitment to empowering youth through quality technical education. This publication showcases the talent, determination, and potential of students who aspire to transform not only their own lives but also the communities they belong to.

In an era driven by rapid technological advancement, private institutions like ours play a vital role in bridging academia and industry. We are committed to creating an ecosystem that encourages innovation, hands-on learning, entrepreneurship, and research-driven solutions. By integrating emerging technologies such as Artificial Intelligence, data science, and automation with a strong emphasis on sustainable development, we aim to prepare our students to solve real-world challenges responsibly and effectively. At our institution, the leadership, faculty members and staff firmly believe that innovation and technological progress must be inclusive. Our goal is to bridge the gap between opportunity and ability, ensuring that every student is prepared to compete confidently on a global platform. We have been striving to provide students from various backgrounds with access to modern infrastructure and industry-relevant education.

We emphasize skill development, practical exposure, entrepreneurship, and ethical values so that our graduates become job creators, problem solvers, and responsible citizens. By encouraging innovation rooted in local needs whether in agriculture, renewable energy, healthcare, or smart infrastructure we aim to nurture engineers who can drive meaningful change at the grassroots level.

This magazine captures the academic achievements, innovative projects, research initiatives, and co-curricular excellence of our students and faculty. I congratulate the editorial team for their dedication in compiling this inspiring collection of ideas and accomplishments.

I extend my sincere appreciation to our faculty for their mentorship and to our students for their perseverance, curiosity, and hard work. I am confident that with the right guidance and determination, our students will emerge as leaders who contribute significantly to national development and societal progress. I wish the Annual Magazine great success and hope it inspires every reader to believe in the power of education, innovation, and self-reliance.

Wishes,
Prof. Bijay Kumar Rout

Principal's Message

It is with great joy that I congratulate the Editorial Board and the entire team on the successful release of this year's annual magazine. This publication is not only a reflection of the past year's milestones but also a celebration of the creativity, dedication, and excellence that define our institution.

This year, we were privileged to welcome international students from France, Thailand, and Bangkok for internships, further strengthening our vision of global learning and cultural exchange. Equally, we take pride in honoring the exceptional merit holders and gold medalists of the 2024 batch from AI, ECE, CSE, and EE, whose achievements embody the hard work and academic brilliance of our university.

The magazine serves as a vibrant showcase of innovation, scholarship, and collaboration, inspiring us all to pursue higher goals. My sincere appreciation goes to the entire editorial team for their commendable efforts. May this publication continue to motivate every reader to aim higher and achieve greater success.

Best Wishes

Prof. Anil Kumar Sharma

HoD's Message

It is with great pride and joy that I pen this message for our college magazine an annual reflection of the creativity, intellect, and achievements of our vibrant academic community. As we navigate the rapidly evolving world of technology, the fields of Computer Science, Information Technology, Artificial Intelligence, and Data Science continue to play a transformative role in shaping industries, societies, and the future. At the heart of this transformation are our students and faculty, whose dedication, innovation, and pursuit of excellence bring our departments to life.

This magazine is not merely a publication it's a celebration of ideas, learning, and expression. It captures the spirit of our institution and showcases the diverse talents of our students, from technical articles and research insights to creative pieces that reflect imagination and individuality.

I extend my heartfelt appreciation to the editorial team, contributors, and all those who have worked tirelessly to make this edition a success. May this magazine continue to inspire thought, encourage dialogue, and serve as a platform for sharing knowledge and creativity.

Wishing you all continued success in your academic and professional endeavors.

Dr. Nimish Kumar
HoD, CSE, IT, AI & DS

Dear Readers,

It gives me great pleasure to share my thoughts with you through the pages of our college magazine. The Department of Applied Science and Humanities stands as the cornerstone of engineering education, guiding young minds to develop clarity in thought, strength in character, and excellence in communication and technical skills.

Our mission is to ignite curiosity and foster innovation through a curriculum that blends scientific rigor with creative exploration. By cultivating analytical thinking and problem-solving abilities, we empower students to look beyond textbooks and apply knowledge in ways that shape real solutions for society. We believe that engineering is not only about technology, it is about transforming lives and building a brighter tomorrow.

This magazine reflects the vibrant spirit of our students and faculty, capturing their hard work, creativity, and accomplishments. I extend my heartfelt congratulations to everyone involved in bringing this edition to life, and I hope its pages inspire readers to dream bigger, achieve more, and make a lasting difference.

Dr. Yogesh Kumar Gupta
HoD Applied Science & Humanities

HoD's Message

It gives me great pleasure to contribute to the annual magazine of our Institute. The Electronics and Communication Engineering Department is committed to quality teaching, strong practical exposure, and continuous skill enhancement of our students. We emphasize experiential learning through well-equipped laboratories, projects, and hands-on sessions that bridge the gap between theory and practice. The Department has collaboration with Truechip Solutions, Noida, from last six years through which on-campus VLSI training has been started to make our students industry-ready. This partnership has enriched their technical knowledge and given them a competitive edge in the job market.

I extend my best wishes to all students for their bright future and congratulate the editorial team for their dedicated efforts in bringing out this magazine.

Dr. Santosh Jangid

HoD, ECE & VLSI

It gives us immense pleasure to contribute to this edition of the Institute Magazine, which stands as a testament to the collective achievements of our institute, faculty, and students during the academic year 2024–2025.

The Department of Electrical Engineering has experienced a year marked by excellence and progress. Department students secured University Ranks this year also and demonstrated both innovation and practical knowledge in various fields. Furthermore, the department successfully organized three alumni talks on cutting-edge technologies, which attracted wide participation from students and professionals, thereby enriching our academic environment and strengthening professional networks.

I extend my sincere appreciation to the editorial team, faculty members, and students whose tireless efforts have brought this magazine to fruition. I wish all members of the department continued success in their academic and professional endeavors.

Dr. Smita Pareek

HoD, EE

TPO's Message

It is my pleasure to share the endeavors of the Training & Placement Cell in this year's Annual Magazine. Our mission has always been to prepare students for the professional world by complementing academic learning with essential industry-oriented skills.

During the year, the Cell organized sessions on Quantitative Aptitude, Logical Reasoning, Soft Skills, Technical Training, Group Discussions, and Interview Preparation, along with specialized coding workshops and employability programs. These initiatives, coupled with mock interviews and personality development sessions, have greatly enhanced student confidence and industry readiness.

We are grateful to our alumni and industry partners for their continuous support and guidance, and to recruiters for their valuable feedback, which helps us refine our efforts. While the job market is dynamic, our focus remains on holistic student development ensuring every graduate of BKBIEET steps forward with competence, resilience, and strong values.

Mr. Ritesh Gauttam

Training & Placement Officer

Knowledge as the Supreme Purifier in Education

*In this world, there is nothing as purifying as knowledge.
One who has attained perfection in yoga finds this knowledge within himself in due course of time.*

— Lord Krishna

From the Editors' Desk

Dear Readers,

It is a moment of immense pride and joy to present this year's edition of our college annual magazine a true celebration of creativity, knowledge, and collective achievement. Within these pages, you will find the voices, visions, and vibrant spirit of our academic community brought to life. This publication not only reflects the academic excellence and extracurricular brilliance of our students and faculty but also showcases their passion for discovery, innovation, and meaningful expression. Every article, achievement, and creative contribution is a reminder of the limitless possibilities that arise when determination meets imagination.

We are deeply grateful to all those who shared their ideas, talents, and efforts to make this magazine a reality. Your contributions transform it into more than just a publication it becomes a living testimony to our shared journey of growth and excellence.

As you turn these pages, may you be inspired to celebrate what we have accomplished together and look ahead with optimism toward the challenges and opportunities that await. Here's to another year of learning, creating, and reaching greater heights.

Warm regards,

The Editorial Team

PMKVY

A free NSQF Skill Development Program under the Pradhan Mantri Kaushal Vikas Yojana 4.0 was inaugurated at BKBIET, Pilani. Program coordinator Anuj Sharma announced that the skill development program commenced on March 15, 2024, providing an opportunity to enhance employability through skill training.

The programme offered courses in Database Administration (DBA) and Electric Vehicle Service Technician (EVST), both aligned with national vocational standards. A total of 101 students enrolled across four batches, out of which 26 students successfully completed their training. The DBA and EVST batches conducted in March 2024 reached completion, while the DBA batch from October 2024 also completed successfully. Training was delivered by qualified and experienced trainers, including Mr. Vipin Saraogi, Mr. Sanjeev Sultania, Mr. Jai Singh Meel, Mr. Dhanesh Matolia, Mr. Anuj Sharma, and Mrs. Monika Shekhawat. Their efforts ensured that sessions were conducted in accordance with PMKVY and NSQF guidelines, integrating both theoretical and practical components. The structured approach, regular assessments and hands-on activities helped students gain industry-relevant skills and confidence required for entry-level roles. The programme also emphasized workplace readiness, safety practices and domain-specific competencies to prepare students for future employment opportunities.

The programme was supported by key staff members such as Mr. Anuj Sharma (SPOC), Mr. Narayan Kumar (Technical Assistant), Mr. Reetesh Gautam (TPO), and Mr. Pawan Kumar Sharma (Office Assistant), who facilitated smooth coordination, student management, and administrative operations.

Overall, the PMKVY skill development initiative at BKBIET has made a significant contribution to enhancing technical capabilities among students, particularly in emerging domains like electric vehicle servicing. The programme continues to reflect the institute's commitment to national skill development, industry-relevant education, and empowering youth through structured vocational training.

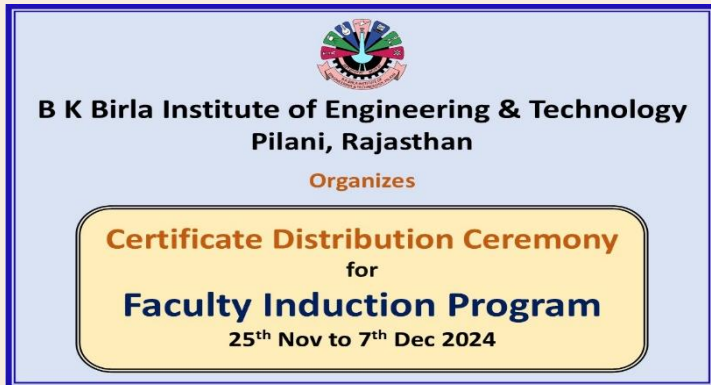

Faculty Development Programme

Department of Electronics & Communication Engineering organized a Five Days FDP on “AI SDG” under Unnat Bharat Abhiyan during 18 -22 November 2024 by NITTTT Chandigarh. The focus was on the integration of Artificial Intelligence (AI), Internet of Things (IoT), and sustainable development practices to address modern challenges effectively.

Faculty Induction Programme

The 15-day Faculty Induction Program (FIP), scheduled from November 25 to December 7, 2024. It aims to align faculty efforts with institutional priorities, improve education quality and research output, and empower faculty to contribute to institutional growth and student success.

Faculty Enhancement Programme

The institute successfully organized a Faculty Enhancement Programme (FEP) from 24th to 29th March 2025, aimed at enriching the academic and professional competencies of the faculty members and to promote interdisciplinary learning and collaboration.

The Teaching and Learning Centre (TLC), BKBIET, organized a Faculty Enhancement Programme from 24th to 26th April 2025. The programme aimed at strengthening teaching methodologies, enhancing academic delivery, and fostering innovative practices among faculty members. It served as a platform for professional growth, collaboration, and exchanging best practices to enrich the overall learning environment at the institute.

Workshops

NSCC BKBIET, in collaboration with IEEE BKBIET ROBEX Society, organized an engaging offline workshop titled "Robotics Bootcamp - Concept to Competition." The primary goal of this workshop was to provide participants with a comprehensive understanding of robotics from the initial concept to competition-level execution.

The guest speakers for this session was Rakesh and Roshan the Leaders of Team Warriors and other team members. Their team secured the 2nd position in Robowar at TRYST, IIT Delhi, and won in Robowar at Anantam Techfest at BKBIET, Pilani.

Department of CSE hosted a hands-on workshop on AWS Cloud & AI. The workshop was a hub of learning and collaboration for aspiring AI. Attendees delved into the fundamentals of python programming, and how to integrate it with AI and to launch instances on AWS Cloud using hand gesture and many services of AWS Cloud. With valuable insights shared by industry experts, the workshop provided a platform for attendees to enhance their web AWS Cloud & AI skills and expand their knowledge in this ever-evolving field.

Workshops

The Department of ECE, in collaboration with the IEEE BKBIET Student Branch and Tinker Tutor, successfully conducted a 2-day workshop on Internet of Things (IoT) and Smart Technology. The event provided participants with hands-on experience and insights into IoT applications and advancements in smart technology, fostering innovation and technical skills.

DEVELOPER STUDENT CLUB

NAVIGATING YOUR WAY THROUGH ENGINEERING

OCT. 22, 2024
3:30 PM - 4:30 PM
BPTRC HALL 1

FACULTY COORDINATORS:
DR. NIMISH KUMAR (HOD-CSE, AI, DS & IT)
MR. HIMANSHU VERMA (FACULTY ADVISOR)

DSC BKBIET hosted a workshop titled "Navigating Your Way Through Engineering" on October 22, 2024, focusing on guiding students through diverse career opportunities in engineering. The session covered career paths like web development, app development, cybersecurity, and other emerging fields for making informed career choices, preparing them for opportunities in the evolving tech industry.

Workshops

The Department of Electronics & Communication Engineering, in collaboration with the E-Cell, BKBIEET, organized a Workshop on “Combat Robotics” on 2nd April 2025. The session was conducted by Team Worriers, who guided students on how to design and implement combat robots. Participants were introduced to the fundamentals of robotics design, control mechanisms, and practical aspects of building competitive robots. The workshop was highly engaging, offering hands-on exposure, fostering innovation, and sparking curiosity about emerging technologies in robotics.

Electrical Engineering students of BKBIEET Pilani attended a Workshop on Intellectual Property Rights (IPR) at the Technological Enabling Centre, Rakesh Kapoor Innovation Centre, BITS Pilani, accompanied by Asst. Prof. Vikas Sheoran and Asst. Prof. Rajesh Singh Sekhawat. The session by Dr. Bhavisha P. Seth, who emphasized the importance of innovation and protecting ideas through IPR. Mr. Sahil Sheikh delivered an engaging, quiz-based session on patents, copyrights, designs, and manufacturing, while Ms. Aanchal Verma provided insights into available grants, SOPs for obtaining them, and an overview of startup opportunities. The workshop proved highly interactive and informative, enriching students with practical knowledge of IPR and its applications.

Workshops

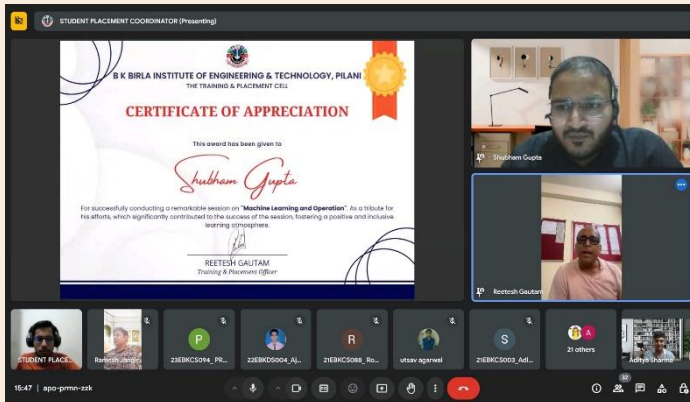

The Training and Placement Cell, BKBIET, organized a Workshop on LinkedIn Profile Building on 6th April 2025, led by Mr. Reetesh Gautam, Placement Officer. The session guided students on creating impactful LinkedIn profiles, highlighting strategies to enhance professional visibility and networking opportunities. Mr. Gautam explained key elements such as crafting strong headlines, writing effective summaries, and showcasing skills and achievements to attract recruiters. He also shared tips on building meaningful connections and staying active on the platform to boost career prospects. The workshop was highly interactive and proved valuable in preparing students for professional networking and placements.

Mr. Ramesh Jangir successfully attended a 5-day Entrepreneurship and Skill Development Programme on “Advanced VLSI Design” held from 3rd to 7th March, 2025, organized by the CSIR–Central Electronics Engineering Research Institute Pilani. The programme focused on strengthening participants’ understanding of Very Large-Scale Integration (VLSI) concepts and enhancing their entrepreneurial potential in the semiconductor domain. It combined technical training with skill-development modules relevant to modern industry demands.

Seminars/Invited Talks

The Training & Placement Cell, B K Birla Institute of Engineering & Technology, Pilani hosted an enlightening webinar on "Machine Learning and Operations" led by our esteemed alumnus, Shubham Gupta. This session offered students an in-depth look into the rapidly evolving field of machine learning, highlighting the numerous career paths and opportunities in this cutting-edge industry.

The Department of Electronics and Communication Engineering and VLSI Design, organised a seminar on Flexible Substrate for Energy Harvesting and Sensing. The speaker for the expert talk was Dr Manish Kumar, Research Associate, IIT Mandi. Dr Manish presented his views on flexible substrate for energy harvesting and sensing and invited BKBIET students to IIT Mandi for internship. The aim of the seminar was to provide students with a deeper understanding of energy harvesting so that they can innovate in this field in future and such workshops play an important role in enhancing the skills of students.

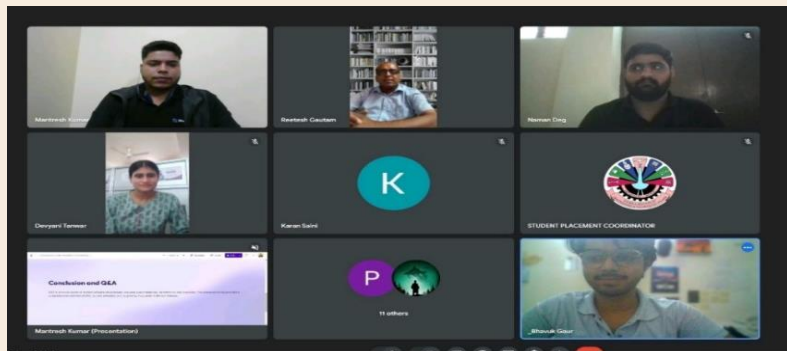

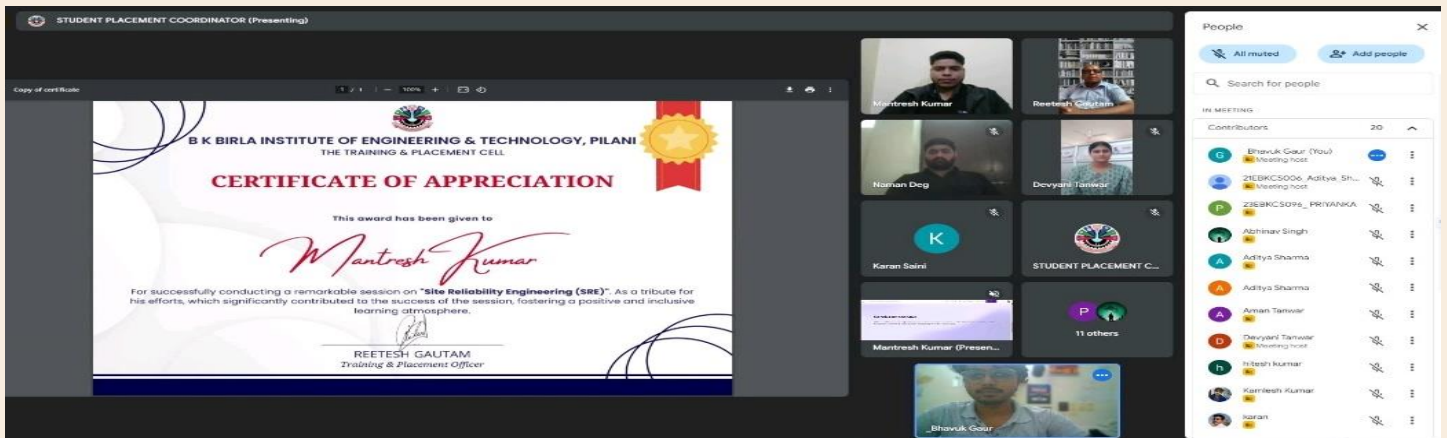

Seminars/Invited Talks

Department of ECE organized an informative VLSI Seminar. Event began with an introduction to VLSI by Mr. Sonal Handa, Vice President of Futurewiz, who explained its basic concepts and significance in the electronics and semiconductor industry. Mr. Ranveer Singh discussed the growing importance of VLSI and its future potential, highlighting various domains where it is extensively used. Following this, certificates were awarded to students who had completed a 45-day VLSI training with Futurewiz. Both representatives from Futurewiz shared valuable knowledge and insights, motivating students to stay updated with new technologies and trends in VLSI.

Training & Placement Cell, BKBIET, recently hosted an insightful webinar on "Site Reliability Engineering (SRE) as a Career" led by the experienced Mantresh Kumar. The session shed light on the rapidly growing field of SRE, highlighting the diverse career opportunities it offers and providing students with a comprehensive understanding of this critical domain.

Seminars/Invited Talks

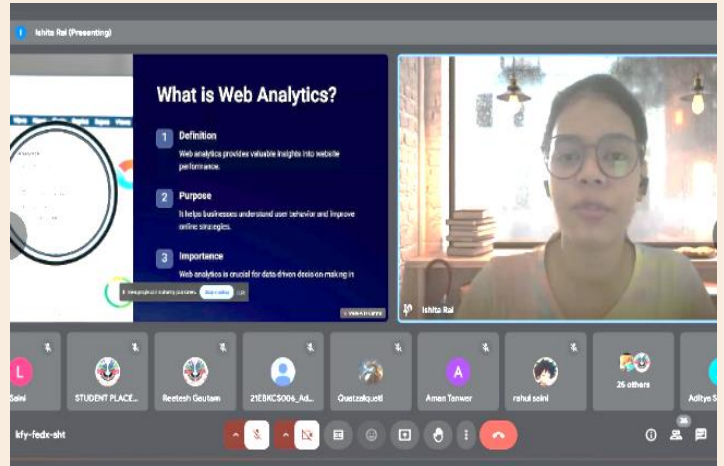

An expert talk on Time Management was organized by department of Applied Sciences and Humanities during Induction Program for First Year Students. The speaker of the talk was Professor Hemant R. Jadhav, BITS Pilani. He guided students about the skills of time management and how they can achieve their goals by this.

E-Cell BKBIET conducted Expert Talk on "Entrepreneurship" by Bhupesh Mittal. This talk was to inspire and educate students about entrepreneurship, specifically focusing on how technology and innovation can drive business success. The event aimed to provide insights into real-world entrepreneurial challenges and strategies

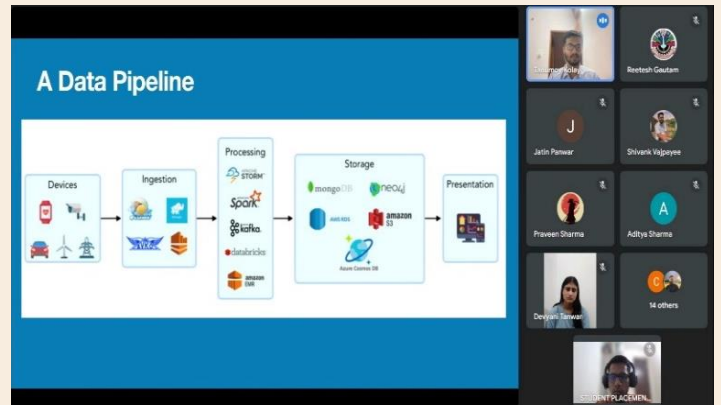

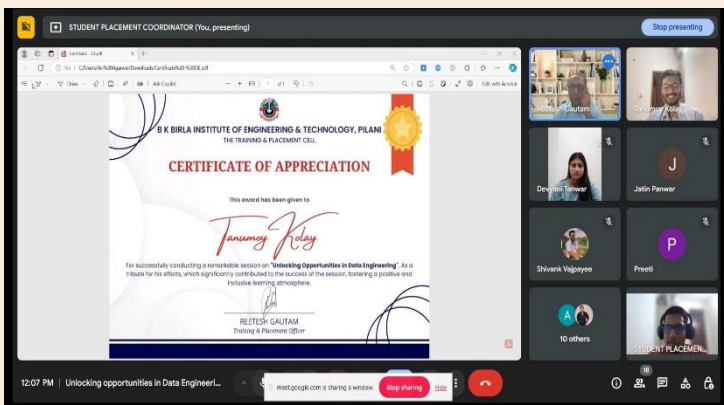

Seminars/Invited Talks

Training & Placement Cell, BKBIET, conducted an insightful webinar on "Web Analytics" presented by Ishita Rai, Data Analyst at Lenovo. The session offered students a deep dive into the world of web analytics, shedding light on how data-driven decision-making is shaping industries and opening up diverse career paths in this field.

The IETE Foundation Day was celebrated with great enthusiasm on 30, November 2024 by Department of Applied Science and Humanities, IETE Pilani Centre in collaboration with IETE Student Forum (ISF) at BKBIET, Pilani. An expert lecture was organized on the theme "INDIA's LEADERSHIP IN 6G- DESIGN AND PRODUCE IN INDIA FOR WORLD" by, Prof. Sharda Tripathi from the Department of Electrical and Electronics Engineering, BITS Pilani.

The Training and Placement Cell organized a webinar on "Unlocking Opportunities in Data Engineering". The session covered key aspects such as the role of data engineers, essential skills required and emerging trends in the industry. The webinar emphasized career opportunities, challenges, and strategies to excel in this domain.

Seminars/Invited Talks

BKBIET Pilani organized an expert talk on "Mental Health Issues of Younger Generations" on December 9, 2024. The session was led by Dr. Shikha Joshi, Head of Social Outreach and Psychologist at BITS Pilani. The event focused on key mental health challenges faced by younger generations, particularly students and graduates, shared insights into effective strategies for mental health recovery and prevention, emphasizing the importance of early intervention, emotional resilience, and support systems.

A seminar was organized by the BTU / AICTE / UGC Initiative committee on "Achieving Success and Happiness through Bhagavad Gita". The speaker of the seminar was Dr. Ankit Khullar. He is an ophthalmologist in Mahadeo Singhi Eye and Multispeciality Hospital by profession but he also have a keen interest in learning and teaching lessons of Bhagavad Gita. He shared his experience with the students and told them how the Bhagavad Gita helps us understand the meaning of happiness and success.

Seminars/Invited Talks

Seminar on Blended Learning & Career Prospects in Cybersecurity, AI, and Data Analytics from IESEG, France was organized by BKBIET BIRD Cell. The event aimed to provide valuable insights into higher education opportunities and career pathways in emerging technological fields. A key highlight was the exclusive benefits announced for BKBIET students, including a waiver on application fees and scholarship opportunities for those applying to IESEG School of Management, France.

www.futurewiz.co.in

B K BIRLA INSTITUTE OF ENGINEERING & TECHNOLOGY, PILANI
Department of Electronics & Communication Engineering

To help you take the next step toward a rewarding career in VLSI,
we are excited to invite you to our exclusive

**LIVE WEBINAR**
GATEWAY TO VLSI

What you'll learn

- ✓ Overview of the VLSI industry and career opportunities
- ✓ Key skills required to excel in semiconductor design
- ✓ Insights from industry experts
- ✓ How Future Wiz can help you build a strong career foundation

Date:- 21st Mar, 2025 | Time:- 03:15 PM

This is a great opportunity for you and your friends to gain industry insights and
explore a structured learning pathway. Seats are limited, so make sure to register now!

[Click here to Register](#) or scan 

Also, feel free to share this with your classmates and college groups so they can benefit too!
Looking forward to seeing you at the webinar.

The Department of Electronics & Communication Engineering successfully conducted a webinar titled Gateway to VLSI, featuring industry experts Mr. Shashikant Sharma and Mr. Sanjay Kumar Saini from Futurewiz. The session aimed to provide students with a comprehensive overview of the VLSI industry, its current trends, career opportunities, and the essential skills required to excel in the field.

Seminars/Invited Talks

Training & Placement Cell organized an insightful session on IP & Technology Transfer Awareness conducted by the esteemed BITS TEC Team Dr. Bhavisha, Sahil Sheikh and Aanchal Verma. This session provided students with a deep understanding of Intellectual Property (IP) rights and Technology Transfer (TT), crucial aspects of research, innovation, and commercialization in today's knowledge-driven economy.

IETE Pilani Centre & ISF Celebrated "IETE Student day" in hybrid mode on 1, March 2025 in collaboration with Department of Applied Sciences and Humanities. Invited talks were organised, the first guest speaker, Prof. M. Balakrishnan, Distinguished Visiting Professor at Plaksha University and Honorary Professor at IIT Delhi, delivered an insightful talk on "ASSISTECH Journey: Mobility and Education of Visually Impaired". He highlighted technological advancements and innovations aiding visually impaired individuals in education and mobility.

Seminars/Invited Talks

The Department of Electronics and Communication Engineering (ECE), in collaboration with the IEEE Student Branch, organized a seminar titled "Navigating Career Path After Graduation". The guest speaker was Ms. Neelam Bhagsara, Lead Embedded Systems Engineer at Baker Hughes. Ms. Bhagsara shared valuable insights into career opportunities for ECE graduates, especially in embedded systems and core engineering roles. She emphasized the importance of skill development, industry readiness, and practical exposure through internships and projects.

The Training & Placement Cell organized a session on "The Importance of Industrial Training to Make Students Employable." Delivered by Preeti Daga from Linux World, the session emphasized how industrial training bridges the gap between academics and industry by developing real-world skills, adaptability, and problem-solving abilities. Mrs. Daga highlighted the value of hands-on learning, internships, and live projects in boosting students confidence and employability. The session inspired students to actively pursue industrial exposure to stay competitive in the job market.

Seminars/Invited Talks

The Literary Club organized a vibrant week-long event, Literary Odyssey, from 1st to 5th April 2025, with enthusiastic participation from around 200 first- and second-year students across departments. The event featured 12 engaging activities including Debate, JAM, Extempore, Essay Writing, and a Kahoot Quiz designed to enhance students' creativity, critical thinking, communication, and public speaking skills. It provided a valuable platform for students to express their literary talents and build confidence in presentation and expression.

The E-Cell BKBIET organized a Robotic Tinker Tutor Workshop on 12th April 2025 for school students with the objective of promoting awareness about new and emerging technologies. The workshop introduced participants to the fundamentals of robotics, hands-on tinkering, and problem-solving through creative projects. Students were encouraged to explore concepts of sensors, programming, and automation in a fun and interactive manner. The session not only sparked curiosity about robotics but also inspired young minds to think innovatively and develop an early interest in science and technology.

Seminars/Invited Talks

The Training and Placement Cell organized a resume-building session led by Mr. Reetesh Gautam, Placement Officer BKBIET, focusing on effective strategies for crafting impactful resumes. The session covered key components like career objectives, skills, projects, and formatting tips, while also highlighting common mistakes to avoid. Students gained valuable insights on how to tailor their resumes to specific job roles, enhancing their chances of impressing potential employers.

The Training and Placement Cell hosted an enlightening session in collaboration with Truechip, led by Ranveer Singh and Sanjay Kumar Saini, who shared valuable insights into the rapidly evolving tech industry. The session covered cutting-edge technological developments, innovative design solutions, and the importance of staying ahead in the competitive field. It inspired and motivated students to pursue excellence in both academics and careers. The institute expressed gratitude to Truechip for empowering students through this enriching experience.

Seminars/Invited Talks

The event “MUM-Mind, Universe & Music”, organized by BKBIET and IEI Pilani, aimed to inspire youth towards sustainable development by blending yoga and music. The session featured talks on the healing power of music, with live performances across diverse genres. Facilitators included yoga expert Shambhavi Gautam, Tabla maestro Aditya Shanker, and Mrs. Poonam, who spoke on music’s therapeutic role. The event successfully merged ancient yogic tools with musical creativity, empowering students with practical and transformative skills.

Training & Placement Cell organized a session on “Navigating with a Glimpse into Digital Forensics”, conducted by Ankit Sharma, Cyber Security Consultant at Deloitte.

He discussed the evolving threat landscape, the role of digital forensics in cyber investigations, and how cybersecurity has become crucial in both national and organizational defense. Ankit also shared career guidance for freshers entering the cyber domain, and the session concluded with an engaging Q&A, making it an insightful learning experience for all.

Seminars/Invited Talks

B.K. Birla Institute of Engineering & Technology

Online Webinar : Discovering Writing as a Career Path

Speaker: Harshita Jain

Mode : Google Meet

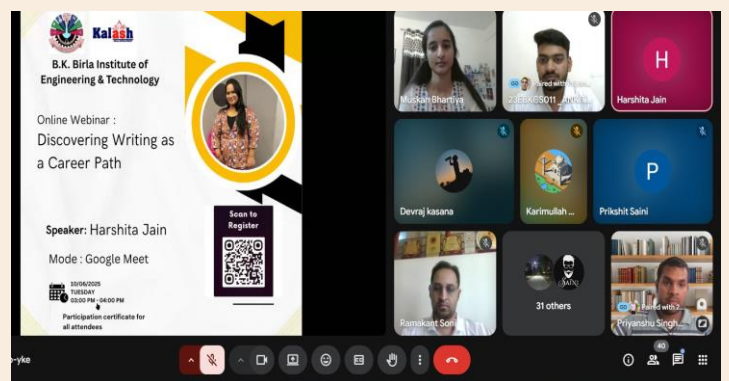

10/06/2025
TUESDAY
03:00 PM - 04:00 PM

Participation certificate for all attendees

Scan to Register

The Kalash Skill Development Club organized a webinar on “Discovering Writing as a Career” on 10th June 2025, where Ms. Harshita Jain, a renowned content and technical writer, shared her journey and insights into the writing industry. She discussed the scope of technical writing, freelancing opportunities, and key skills for success. The session was highly interactive, with active student participation during the Q&A, making it an engaging and enriching experience.

The Department of Electrical Engineering, organized an Alumni Talk on Career Trends in Electrical Engineering. The session brought together four distinguished alumni Maya Chahar (IRS), Nisha Hiranwal (Assistant Engineer, Jhunjhunu Zonal Office), Dinesh Saini (Junior Engineer, RRVPNL), and Aashish Choudhary (Engineer, HPCL Barmer Refinery) who shared their professional journeys and insights and also discussed opportunities in policymaking, UPSC and state services, refinery operations, public sector roles, and the growing scope for women in electrical engineering.

Seminars/Invited Talks

B K Birla Institute of Engineering & Technology, Pilani
CEERI Road, Pilani, Jhunjhunu, Rajasthan-333031

Alumni EEE Department
Batch 2013-17

Invited Talk Series

"Join us for an inspiring talk on shaping tomorrow's world with engineering innovation".

Meet the Speaker: Mr. Lokesh Saini

Title & Affiliation	Topic of Talk
PSIR & Internal Security Foreign Policy Advisor, Ministry of Foreign Affairs, Government of India Faculty, Vajirao IAS Academy	Optimize Performance and Boost Success in UPSC Civil Services Exam

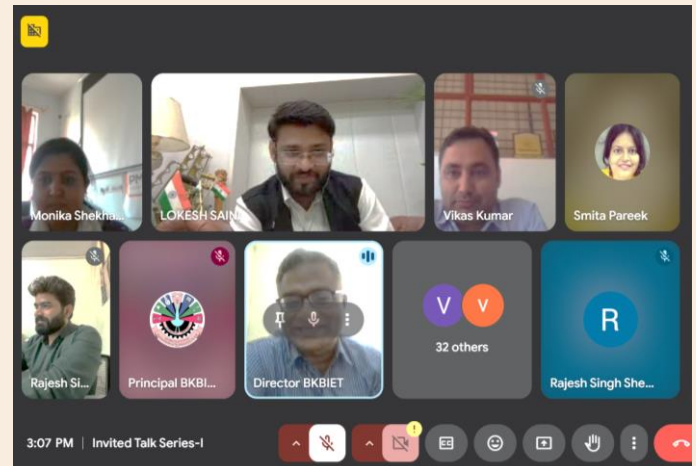

Accomplishments
5+ years of experience, Lokesh Saini has mentored 2,000-3,000 UPSC aspirants across India.

How to Register: <https://forms.gle/ZkHiekR7bSfanXuQ7>

Date: May 24, 2025 | Time: 3:00 PM | Location: online Mode

Organized by
Department of Electrical Engineering
B K Birla Institute of Engineering & Technology, Pilani

Contact for Queries: 9828765129 | rajesh.shekhawat@bkbiet.ac.in

The Department of Electrical Engineering, organized an online invited talk on "Optimize Performance and Boost Success in UPSC Civil Services Exam" on 24 May, 2025. The session was delivered by Mr. Lokesh Saini, Foreign Policy Advisor at the Ministry of Foreign Affairs, Government of India, and Faculty at Vajirao IAS Academy. He shared valuable insights on UPSC preparation, focusing on Political Science, Internal Security, and Foreign Policy, while motivating students to leverage engineering knowledge in shaping impactful careers.

Conclusion

Opportunities for Learning
Starting with Salesforce provides students endless opportunities to enhance their knowledge and skills in technology and business.

Career Advancement
Utilizing Salesforce as a student can significantly boost career prospects and open doors to various industries and roles.

Connecting with Trailblazers
Engaging with Trailblazers allows students to gain insights, mentorship, and support from experienced professionals in the Salesforce community.

Salesforce Ecosystem Overview

Diverse Partnerships
The Salesforce ecosystem is enriched by a wide range of partners contributing to its growth and innovation.

Innovative Applications
Numerous applications within the Salesforce ecosystem enhance functionality and streamline user experience, driving business efficiency.

Community Engagement
Active communities within the Salesforce ecosystem provide support, resources, and learning opportunities for users at all levels.

B K BIRLA INSTITUTE OF ENGINEERING & TECHNOLOGY, PILANI
THE TRAINING & PLACEMENT CELL

CERTIFICATE OF APPRECIATION

This award has given to
Himanshu Mathru

For successfully conducting a remarkable session on "Mastering the Salesforce Basics". As a tribute for his efforts, which significantly contributed to the success of the session, fostering a positive and inclusive learning atmosphere.

REETESH GAUTAM
Training & Placement Officer

The Training & Placement Cell, BKBIET, organized a webinar on "First Step in Mastering Salesforce Basics" on 24th May 2025. The session was conducted by Mr. Himanshu Mathru, Senior Technical Consultant at Datacom, who introduced students to Salesforce fundamentals and guided them on building a strong foundation in the platform. He highlighted the growing demand for Salesforce professionals in the industry and shared practical insights on how freshers can shape their careers in this domain. The session concluded with an interactive Q&A, making it highly engaging and informative for the participants.

Industrial Visit

The Department of Electrical Engineering, BKBIET, organized an industrial visit for 2nd-year students to the 132 KV GSS RRVPNL Electrical Sub-Station, Pilani on 12th April 2025. The visit provided students with practical exposure to power systems, sub-station operations, and grid management, bridging the gap between classroom learning and real-world applications. It proved to be a valuable experience, enriching their technical knowledge and understanding of core electrical engineering concepts.

On 26th September 2024, a technical visit to the Central Electronics Engineering Research Institute (CSIR-CEERI), Pilani, was organized by the IETE Student Forum (ISF) in collaboration with the Department of Applied Sciences and Humanities. This visit aimed to provide an exposure to cutting-edge research and development in electronics and communication engineering and to enhance students' understanding of semiconductor devices and their fabrication.

Commemoration of Teacher's Day

Teachers' Day was celebrated on the 5th of September to mark the birth anniversary of Dr. Sarvepalli Radhakrishnan. Teachers' Day is an important occasion for all the educational institutions and honors the hard work and teachings of all the respected teachers. Cultural programs were presented by students. Many Fun games were also organized by students for faculties. At the end of program faculty felicitation was done to appreciate faculty's different achievements in result, research and overall for the betterment of the institute.

Commemoration of Women's Day

The International Women's Day was celebrated on 9th March 2024 with a vibrant event honoring womanhood and promoting gender equality. The day was marked with cultural performances, poetry recitations, and impactful skits focused on women's rights and breaking stereotypes. Fun games and engaging activities were also organized exclusively for female staff, adding joy and appreciation to the celebration.

Hackathon

The Smart India Hackathon (SIH) 7th Edition Internal Hackathon was conducted at the B K Birla Institute of Engineering and Technology (BKBIET), Pilani on September 9th and 10th, 2024.

Organized by the E-Cell of BKBIET, the event provided a platform for students to showcase their innovative ideas and technical expertise. The purpose was to foster creativity and problem-solving skills while preparing students for the national-level Smart India Hackathon (SIH).

Hackathon

The Institution of Engineers India (IEI) – Pilani Local chapter celebrated World Water Day on 28th March 2025 with a one-day Ideathon focused on the theme "Glacier Preservation". The event aimed to raise awareness about the urgent need to protect glaciers and promote sustainable environmental practices through innovative thinking. Students from various departments actively participated in the Ideathon, presenting creative and practical solutions to address glacier melting, water conservation, and climate change impacts.

The Department of Applied Sciences and Humanities, in collaboration with ISF and Kalash Development, organized the 2-day Kalash Creative Hackathon on October 24-25, 2024.

NSS Activities

For the overall development of students, NSS Unit of BKBIET Pilani organized a “CLEANLINESS DRIVE” on 21 September, 2024.

On 27th September 2024, a tree plantation drive was organized by the Department of Applied Sciences and Humanities, IETE Student Forum (ISF) and NSS at BKBIET, Pilani.

The event aimed to promote environmental awareness and sustainability among students and faculty. The participants planted numerous saplings, contributing to the green cover of the campus and fostering a sense of responsibility towards environmental conservation.

NCC Activities

The NCC Army Annual Training Camp (ATC) was held at Vrindavan, near Sultana, from 19th to 28th September 2024. This camp provided a platform for cadets from various institutions to come together, train rigorously, and compete in a variety of events designed to enhance leadership, discipline, teamwork, and individual skills. BKBIET Pilani participated in the Senior Division and Senior Wing categories, achieving remarkable success and emerging as a top-performing institution across multiple events.

NCC Activities

BKBIET NCC Unit celebrated the 25th anniversary of 'Kargil Vijay Diwas' on July 26, 2024, to honor India's victory in the Kargil War and pay tribute to the brave soldiers who sacrificed their lives to protect our borders. On this day in 1999, India successfully regained control of the Kargil heights from Pakistani infiltrators after a 60-day operation called 'Operation Vijay'.

World Paper Bag Day was celebrated with great enthusiasm by BKBIET NCC Unit. The event, driven by the objective to stop using single-use plastic, aimed to emphasize the importance of life skills in education, alongside literacy. Single use plastic poses a significant threat to the environment, and this initiative sought to address this pressing issue.

NCC Activities

A cleanliness campaign was organized by the 1 Raj Ctr NCC Unit at BKBIET, Pilani on 18 November 2024, to promote cleanliness and foster social responsibility among students and staff.

The NCC Unit, Pilani organized an impactful event titled “A Tree Dedicated to Mother”, involving a tree plantation drive to promote environmental sustainability. NCC cadets, faculty, and students actively participated, dedicating each sapling to the planet and spreading awareness on ecological conservation. The event highlighted the role of youth in protecting nature and emphasized the importance of a greener future.

The NCC unit of BKBIET organized its Annual Inspection Visit on 22nd April 2025, which was graced by the Group Commander. As part of the visit, the Group Commander inspected the parade and training activities, appreciating the discipline and preparedness of the cadets. He also addressed the cadets, ANO, and staff members, motivating them to uphold the values of leadership, responsibility, and service to the nation.

NCC Activities

The NCC Unit of BKBIET organized a Fire Fighting Mock Drill on 10th May 2025 to create awareness about emergency preparedness and safety measures. During the drill, cadets were trained in handling fire extinguishers, evacuation procedures, and quick response techniques to manage fire-related incidents. The activity enhanced practical knowledge, discipline, and presence of mind among students, equipping them with essential life-saving skills.

The NCC Unit of BKBIET organized a First Aid and CPR Training session on 14th May 2025 to equip cadets with essential life-saving skills. The training focused on handling medical emergencies, providing immediate assistance to the injured, and performing CPR effectively. Cadets actively participated in the hands-on session, gaining practical knowledge and confidence to respond during critical situations. The initiative strengthened awareness about health, safety, and community service among the students.

International Meditation Day

BKBIET Pilani celebrated International Meditation Day on December 21, 2024, promoting mindfulness and well-being.

Commemoration of Matrabhasha Diwas

On 21st February 2025, BKBIET, under the BTU/AICTE/UGC Initiative Committee, celebrated Matrabhasha Diwas to honor and promote the significance of mother tongue. A debate competition was organized with Enthusiastic student participants, centered around the theme: "Talent and Ability Development through Mother Tongue." The event emphasized the role of native languages in fostering national unity and contributing to the progress of society.

Social & Cultural Activities

BASANT 2K24, the annual fest of BKBIET, Pilani, was a grand three-day celebration held from September 28-30, 2024, combining culture, entertainment, and creativity, making it one of the most anticipated events on campus. The fest featured a dynamic mix of cultural events, providing students with a platform to showcase their talents. These included dance competitions, singing competitions, the Nakshatra Ramp Walk, drama performances, and art displays, adding a rich cultural dimension to the event.

Social & Cultural Activities

The Independence Day celebrations at the college was held on August 15, 2024, with great enthusiasm and patriotism. The event was attended by students, faculty members, and staff of the college. The celebrations began with a flag-hoisting ceremony and patriotic speech by Director Sir and GM Commercial. This was followed by March past by the NCC Cadets. After this Subedar Major Balwan Singh and Colonel Awatar Singh Shekhawat shared their motivational words with the gathering. They also shared their memories of the different wars attended. Students gave their tribute to all the freedom fighter by performing different cultural program like singing, dancing etc. After the program Flag Rally was organized by NCC Cadets.

Garba Night was celebrated on 8th October 2024 with great enthusiasm. The event began with the aarti of Maa Ambe, followed by energetic dance performances. Students, faculty, and staff participated in traditional attire, adding to the festive spirit. The celebration fostered joy, cultural appreciation, and community bonding.

Social & Cultural Activities

BKBIET Pilani hosted Sur Sandhya on 11th December 2024, celebrating India's classical music heritage. The event featured a mesmerizing Banaras Gharana vocal duet by Pandit Ritesh Mishra and Pandit Rajneesh Mishra, alongside a tabla performance by Shri Pradip Kumar Sarkar, leaving the audience spellbound.

BKBIET Pilani celebrated Republic Day on 26th January with patriotic zeal. The event featured flag hoisting, an NCC parade, and cultural performances by students. Speeches highlighted the significance of the Constitution and the youth's role in nation-building. The celebration inspired a deep sense of national pride and unity among all attendees.

Social & Cultural Activities

Nirmaan Organization celebrated Joy of Giving Week (JOGW-2023) from 17th to 21st December 2024, engaging in a series of meaningful activities designed to bring joy and happiness to children. The week-long celebration featured various initiatives aimed at uplifting their spirits and creating cherished memories.

Social & Cultural Activities

SWAR SANGAM, Kolkata successfully hosted a 7-day workshop titled “SANKALP -A Workshop on Visual & Performing Arts” from 17th to 23rd March 2025. The event was a vibrant celebration of creativity and cultural expression, showcasing diverse talents in both visual and performing arts.

Farewell

On 21st May 2025, the pre-final year students organized a heartfelt farewell ceremony to bid adieu to the final-year students. The event was filled with emotional moments, captivating cultural performances and expressions of gratitude, as the juniors extended their warm wishes for the bright future of their seniors. A special highlight of the evening was the felicitation of the topper student, recognizing their exceptional academic achievements and dedication. The ceremony beautifully captured the spirit of camaraderie and togetherness, making it a truly memorable occasion that celebrated the bond between batches and marked the transition of the graduating students into the next phase of their lives.

Fresher's

"FRESCO 24" Fresher's Party, held on October 26, 2024, was a lively and inclusive event designed to warmly welcome new students into the college community. It provided a stage for newcomers to display their talents and connect with their peers in a festive and friendly environment.

Degree Distribution Ceremony

The Degree Distribution Ceremony for the 2020–2024 batch was held on 14 June 2025, graced by Chief Guest N. V. Muralidhar Rao, Dean Administration, BITS Pilani. Gold medals were awarded to University Toppers Jitendra Doodi (AI), Niharika (ECE), and Diya Jangid (EE). Along with them, fifteen merit rank holders Ishaan Agarwal (AI), Ojas Sharma (AI), Sachin Dhayal (AI), Shagun Kaler (AI), Tarun Verma (AI), Dhawal Prabha (CS), Manmohan Singh Shekhawat (CS), Ritika Kumawat (CS), Srishti Agarwal (CS), Shruti Agarwal (CS), Devika Nayak (ECE), Mitali Somra (ECE), Sanjay Saini (ECE), Shubham Saini (ECE), and Pinku Kumari (EE) were also felicitated for their academic excellence. The event celebrated the achievements of the graduates and inspired them to continue the legacy of excellence in their future endeavors.

The 3rd Convocation of Bikaner Technical University, held in 2025, witnessed the felicitation of university toppers and merit rank holders for their exceptional academic achievements.

Felicitations Ceremony

The institute organized a Felicitations Ceremony on 23rd January 2025 to honor the academic excellence of first-year students from the 2023–24 session. The event was dedicated to recognizing the hard work, dedication, and outstanding performance of students who achieved a SGPA of 9 or above in either the I or II Semester. Ms. Pammy, a student from the Department of Computer Science & Engineering, was the highlight of the occasion for achieving a perfect SGPA of 10 in both semesters. This remarkable achievement is a proud moment for both the institute and the department.

Art Exhibition

An Art and Webpage Exhibition was held, showcasing students' creative works such as paintings, illustrations, mobile films, and web projects, highlighting their artistic and digital talents.

Art Exhibition

MOBILE PHOTOGRAPHY EXHIBITION

International Yoga Day

To mark the spirit of health and harmony, the Yoga & Health Club in collaboration with the Department of Applied Science and Humanities, celebrated the 11th International Yoga Day on 21st June 2025. The event, held from 5:30 AM to 6:30 AM, witnessed enthusiastic participation of faculty members, students, and staff. The session was led by Yogacharya Priyanka Aggarwal from BITS Pilani, who guided participants through various *Asanas* and *Pranayama*, while emphasizing the importance of incorporating yoga into daily life for physical wellness, mental clarity, and emotional balance.

Student Achievements

BKBIET team Warriors excelled at Techfest IIT Bombay. In the 8 kg category, they entered two bots, Avatar and Badal, competing against 30 participants. Their outstanding performance secured them 3rd place (2nd Runner-Up) in this highly competitive category. Team Warriors also became the first team from Rajasthan to secure a position in the International Robowars at Techfest. The team, comprised of Roshan (ECE, 4th Year), Rakesh (ECE, 4th Year), Amit Kumar (ME, 4th Year), Bhervesh Daiya (ME, 4th Year), Ankit Kumar (ECE, 4th Year) and Vishal Swami (ME, 4th Year), demonstrated exceptional technical skills.

BKBIET team Warriors excelled at Techfest Technovanza'24, VJTI Bombay, held from 21st to 23rd December 2024, securing 2nd place in the 8 kg category and 3rd and 4th places in the 15 kg Robowar category. The team also achieved 2nd and 3rd positions in the RoboSumo competition. They showcased remarkable technical skills and strategic expertise. The team included Roshan (ECE, 4th Year), Rakesh (ECE, 4th Year), Amit Kumar (ME, 4th Year), Bhervesh Daiya (ME, 4th Year), Ankit Kumar (ECE, 4th Year), and Vishal Swami (ME, 4th Year).

Student Achievements

The BKBIET team advanced to Phase 2 of the IEEE SSH 2024 Hackathon at the KIET Group of Institutions, focusing on Education by developing a gamified platform for learning about the Indian Constitution. The team included Kapil Kumar (ECE, 3rd Year), Himanshi (ECE, 2nd Year), and Khushi Badsera (IT, 2nd Year).

The BKBIET team, Hackathon Hunters, participated in the 2-day HEX Hackathon at BVP College, Delhi, and secured 7th position. The team comprised Sumit Singh Rathore (IT, 2nd Year), Ravi Prakash Sunia (CS, 2nd Year), and Sarvesh Panday (CS, 2nd Year).

The BKBIET team, "Spirited Away," won first place at the Hack with Uttarakhand Hackathon, held at the THDC Institute in Bhagirathipuram. The team included Suryansh Singh, Rohan Choudhary, Nikhil Prajapat, and Priyanka Poonia (CS, 3rd Year).

Student Achievements

The Innovation, Design, and Entrepreneurship Bootcamp, held from September 23-27, 2024, at Amity University Jaipur, was a transformative event for students passionate about entrepreneurship and innovation. Organized by the All India Council for Technical Education (AICTE) and the Ministry of Education Innovation Cell, this bootcamp aimed to equip students with the mindset and tools essential for entrepreneurial success.

Notably, four students from BKBIET Kushal Sharma, Shilpa Jangid, Lakshya Bhati and Krishan Kumar were shortlisted to participate in this prestigious program. Their selection highlights their potential in entrepreneurship and innovation, making them representatives of BKBIET at this national-level event.

Student Achievements

BKBIET teams Warriors and Robo Rebels excelled at Techfest INNOV8 hosted by JECRC Jaipur. The robots "KALI" (15 kg) and "AVTAR" (8 kg) secured 2nd runner-up positions, while "NEEL" (3 lbs) achieved 3rd place. The team, consisting of Roshan (ECE, 4th Year), Rakesh (ECE, 4th Year), Amit Kumar (ME, 4th Year), Bhervesh Daiya (ME, 4th Year), and Vishal Swami (ME, 4th Year), showcased exceptional technical skills and strategic acumen.

BKBIET teams Warriors and Robo Rebels excelled at Techfest SPHINX'24, hosted by MNIT Jaipur, securing 1st place in the 15 kg Robowar category and 1st runner-up in the 8 kg category. The team showcased remarkable technical skills and strategy. The team comprised of Roshan (ECE, 4th Year), Rakesh (ECE, 4th Year), Amit Kumar (ME, 4th Year), Bhervesh Daiya (ME, 4th Year), and Vishal Swami (ME, 4th Year).

BKBIET teams Warriors and Robo Rebels excelled at Techfest PECFEST, hosted by PEC Chandigarh, securing 1st runner up in the 15 kg Robowar category. The team, comprised of Roshan (ECE, 4th Year), Rakesh (ECE, 4th Year), Amit Kumar (ME, 4th Year) and Vishal Swami (ME, 4th Year).

Student Achievements

Team Warriors from BKBIET delivered an outstanding performance at ADVITIYA 2025, the annual techfest of IIT Ropar. Competing in the 15 KG Robowar category, their bots Brahmaputra and Dev demonstrated exceptional engineering and strategic combat skills. Brahmaputra earned the 1st Runner-up position and Dev secured the 2nd Runner-up spot.

This victory is not just a testament to their technical expertise but also to their resilience and determination to achieve their goals.

Team Warriors from BKBIET earned the 1st Runner-up position in the 60 kg Robowar category at Parul Projections Techfest, held at Parul University from 13–15 February 2025. Competing in the 8 kg, 15 kg, and 60 kg categories, the team showcased outstanding engineering and combat skills. Team members Rakesh (ECE, 4th Year), Amit Kumar (ME, 4th Year), Bhervesh Daiya (ME, 4th Year) and Vishal Swami (ME, 4th Year) were instrumental in the design and operation of the bots. Their achievement reflects the strong mentorship and support from BKBIET faculty

Team Warriors from BKBIET excelled at IIT Jodhpur's Techfest Prometio 2025, winning both the 15 KG and 30 KG Robowar categories and securing 2nd Runner-up in Robo Soccer. Their performance showcased exceptional engineering, innovation, and strategic skill.

Student Achievements

Team Warriors from BKBIET excelled at BITS Pilani's APOGEE Techfest, winning the 8 KG Robowar with AVATAR1 and securing 1st Runner-up in the 15 KG category with BRAHMAPUTRA. Rakesh was awarded Best Driver for his outstanding control. The team's blend of defensive and attacking strategies showcased their technical skill and teamwork. The team, consisting of Roshan (ECE, 4th Year), Rakesh (ECE, 4th Year), Amit Kumar (ME, 4th Year), Bhervesh Daiya (ME, 4th Year), Ankit Kumar (ECE, 4th Year) and Vishal Swami (ME, 4th Year).

Students from the ECE and VLSI branches participated in a workshop on 3D Printing and PCB Through-Hole Technology (THT) Design organized by BITS Pilani, gaining hands-on experience and foundational knowledge in these advanced technologies.

Students from the ECE and VLSI branches attended a workshop on Basic Semiconductor Processing organized by CSIR-CEERI Pilani, gaining practical experience and foundational insights into semiconductor technologies.

Student Achievements

Tejas Sharma, a student of III Year Electronics and Communication Engineering, BKBIET, received the Best Paper Award in the Poster Presentation category at the International Conference on Emerging Trends and Researches in Multi-disciplinary Domain – 2025, held on 3–4 April 2025. His research work, carried out under the guidance of Mr. Ramesh Jangir, reflects the institute's focus on fostering innovation and academic excellence among students.

Chinmay Jain, a student of IV Year Electrical Engineering at BK Birla Institute of Engineering and Technology, presented a research paper at the 3rd International Conference on Smart Grid Energy Systems and Control (SGESC-2025) on the theme "Green and Sustainable Energy Systems", organized by NIT Kurukshetra from 21st to 23rd February 2025. His research work, conducted under the guidance of Dr. Smrita Pareek, highlights the institute's commitment to promoting innovation, research culture, and academic excellence among its students.

Student Achievements

Chapter

AI-Driven Control System for Linear Displacement SMA Actuator for 3D Printer Bed Leveling Automation

By Bhanu Pratap, Brijendra Kumar Verma, Bhausaheb Ashok Botre, Samarth Singh, H.N. Bhargav, Sachin Bhalothia

Book [Advanced Solid-state Devices for Emerging Nanotechnologies](#)

Edition 1st Edition

First Published 2025

Imprint CRC Press

Pages 21

Sachin Bhalothia, a final-year Electrical Engineering student at BKBIET, contributed a book chapter titled “AI-Driven Control System for Linear Displacement SMA Actuator for 3D Printer Bed Leveling Automation”. The chapter appears in the Book title “Advanced Solid-State Devices for Emerging Nanotechnologies” by Taylor & Francis Group – CRC Press. His research, mentored by a Scientist from CSIR–CEERI, Pilani, highlights his keen interest in AI-driven automation and smart actuator systems.

Asynchronous Deep Reinforcement Learning for Semantic Communication and Digital-Twin Deployment in Transportation Networks

Oshin Rawley, *Student Member, IEEE*, Shashank Gupta*, *Senior Member, IEEE*, Jatin Panwar, Palak Sharma, Shailendra Rathore

Abstract—The dynamically evolving and technologically-driven hybrid landscape of transportation networks integrated with advanced edge computing capabilities has demonstrated efficient communication and computation techniques to guarantee robust quality of services (QoS) to vehicles. However, conventional communication systems in the Internet of Vehicles (IoV) still encounter challenges in providing meaningful low-latency communication and AI-assisted real-time synchronization on the edge. One reason is that it has exhausted the Shannon limit by utilizing cellular, NOMA, and Wi-Fi technologies. Therefore, we present an integrated approach leveraging Semantic Communication (SC), and Digital Twin (DT) deployment to tackle the challenges caused by high-dimensional data exchanges and resource spectrum crunch leading to inevitable latency constraints. SC stimulates meaningful transmission of data to high-mobility vehicles by providing a relevant knowledge base (KB) and DT deployment. In this paper, we established the vehicular SC (VSC) model, and DT deployment strategy. We formulate a multi-objective optimization problem (MOP) to maximize the overall QoS of the system by jointly optimizing VSC and DT deployment. Compared to traditional deep-reinforcement learning (DRL) schemes, we propose a Digital Twin Semantic Sensing using the Multi-vehicle DRL (DTSS-MVDL) algorithm which addresses the MOP and persistent issues of multi-dimensional, continuous, and discrete nature of the vehicular environment. Lastly, we employ age of Information (AoI), latency, and QoS as the performance metrics to determine the algorithmic efficiency.

Index Terms—Semantic communication, Digital Twin, Dynamic optimization, Internet of Vehicles (IoV), Service optimization

real-time transmission [1]. However, the Intelligent Transportation System (ITS) lacks real-time sensing capabilities and continuous data engagement with the edge servers (ES) limiting the smooth functioning of AI-based tasks such as traffic forecast, path planning, cruise control, etc., [2]. Digital twin (DT) plays an important role in providing real-time virtual support for the physical activities happening on the roads. It requires physical data of the IoV space to deliver seamless support across the geographical regions through which the vehicles are moving. Currently, the sensing data is derived from the onboard sensors installed in the Intelligent Connected Vehicles (ICVs), but it is difficult to collate massive data coming from different vehicles and operate on it. It is because of the different sensing abilities of many vehicles and the interference of the ambient environmental adversities, the sensing data gets affected. This also disturbs the precision of the DT data collection process.

In addition, the optimal DT deployment remains a vexed question that requires further exploration. Since edge computing delivers low-latency services to vehicles, DTs can be deployed on the ESs installed across the roads. However, due to the frequent vehicle mobility, the DT dynamically migrates itself according to the change in the location of the vehicle incurring heavy transmission costs. Therefore, a strategy to optimize the DT deployment is required based on the network service availability and varied migration needs, which poses another challenge [3]. Further, in order to achieve maximum

Palak Sharma and Jatin Panwar, final-year students of Artificial Intelligence and Data Science at BKBIET, have co-authored a research paper titled “Asynchronous Deep Reinforcement Learning for Semantic Communication and Digital-Twin Deployment in Transportation Networks”. The students carried out this research during their internship under the guidance of Dr. Shashank Gupta, Associate Professor, BITS Pilani. The paper has been published in the prestigious IEEE Transactions on Intelligent Transportation Systems journal.

Induction Programme

The Department of Applied Sciences and Humanities organized a well-structured Induction Program to welcome and orient newly admitted students. The program aimed to ease the transition from school to the professional academic environment and to make students familiar with departmental facilities, academic expectations and institutional culture.

The induction included several academic orientation sessions, where faculty members briefed students about foundational subjects, laboratory facilities, library resources and various academic support systems.

A series of expert lectures by academicians were conducted. These lectures covered scientific thinking, innovations in technology, communication skills, ethics and career opportunities. The sessions helped broaden students' perspectives and motivate them for future academic and professional growth.

To ensure balanced development, the program also integrated recreational and team-building activities, including ice-breaking games, creative workshops and sports-based interactions. These activities promoted teamwork, boosted confidence and helped students build healthy peer relationships.

Additionally, students participated in an educational visit that exposed them to real-world applications and institutional infrastructure. This visit enhanced their understanding of practical learning and the significance of interdisciplinary knowledge.

Games & Sports

National Sports Day with a three-day celebration from August 29th to August 31st. The event featured multiple sports competitions, including Cricket, Volleyball, Basketball, Kho-Kho, and running. Students from BKBIET, BKBIHE actively participated in the events. Additionally, the Pilani Cricket Academy joined the tournament, adding to the competitive spirit. The event aimed to promote sportsmanship, physical fitness, and teamwork among students while honoring the legacy of Major Dhyanchand, India's hockey legend, whose birthday is celebrated as National Sports Day.

BKBIET Volleyball Team secured second position in BOSOM Sports fest organized by BITS Pilani. Team won against JECRC University, BITS Alumni and Galgotia University teams.

Games & Sports

The Inter-College Sports Event "QUASAR-2024" was held from 29th November to 1st December 2024, bringing together enthusiastic participants from various colleges in the region. The event promoted sportsmanship, teamwork, and healthy competition, creating a vibrant atmosphere of camaraderie among athletes.

Games & Sports

Team BKBIET participated in Cricket at Desportivos' 25, hosted by LNMIIT Jaipur. The Cricket team delivered an outstanding performance, earning second place in the tournament. The event provided a platform for competitive spirit, team bonding, and inter-college sportsmanship.

Mini Apogee

Cubing workshop **Case Comp** **Moneyball-Football Auction** **Speed Dating**

MINI-APOGEE **BITS x BKBIET**

Date: 25th March 25

<https://bits-apogee.org/>

For more details contact:
Mohit Kumar Tiwari (BKBIET): 89012 36668
Parth Gokak (BITS Pilani): 95886 54137

APOGEE Minifest 2025, a pre-event to BITS Pilani's renowned tech fest, was successfully hosted by BKBIET on 25th March 2025. The event featured technical competitions and workshops drawing enthusiastic participation from students. It created an energetic and engaging atmosphere, making it a grand success and an ideal build-up to the main APOGEE festival.

Student Exchange Program

As part of the student exchange program between BKBIET, Pilani and French universities, two students from IUT Angoulême, France, have joined BKBIET for a two-month project-based internship. They will work on projects related to real-time image processing and advanced control systems, including optimal PID and fuzzy logic controllers.

The students will collaborate with faculty from both institutions, with the program designed to promote academic collaboration and cross-cultural exchange, enhancing the overall learning experience at BKBIET.

Under the student exchange program with French universities, BKBIET, Pilani has welcomed Lilian Delétoile, a student from CY Tech, France, for a six-month semester exchange. Lilian will pursue academic courses under the guidance of the Computer Science and Engineering faculty and will also undertake a project focused on Computer Vision and Artificial Intelligence. Beyond academics, Lilian will actively participate in cultural, technical, and sports activities, encouraging cross-cultural interaction with BKBIET students. This exchange aims to strengthen international academic ties while enriching the campus experience for all involved.

Student Exchange Program

A student from France undertook a two-month internship at BKBIET under the guidance of Mr. Manoj Saini, Assistant Professor, Department of Computer Science and Engineering. The student worked on a research project titled “Explainable Machine Learning Models for Early Prediction of Heart Disease Using Electronic Health Records.” The project focused on developing interpretable AI models to enhance transparency and trust in healthcare diagnostics, leveraging patient data for early disease prediction.

Another student from Thailand completed a two-month internship at BKBIET under the mentorship of Mr. Pradeep Singh Shekhawat, Assistant Professor, Department of Computer Science and Engineering. The student’s project, titled “Advisory: A Marketplace Platform for Professional Consultation Services,” aimed to design and implement a digital platform that connects users with experts across various domains, integrating features of AI-based recommendation and secure communication.

These international internships highlight BKBIET’s commitment to global learning, cross-border research collaboration, and promotion of innovation in emerging technologies.

Student Exchange Program

Under the Student Exchange Programme, students of BKBIET participated in prestigious international internships, gaining valuable global exposure, technical expertise, and cultural understanding.

Kapil Jangra, Nishant Kumar Bainara, Ankit Kumar, Nakul Singh Shekhawat, and Gautam Bari undertook a two-month internship at KMITL, Thailand. During this period, they successfully completed a project titled “Line App ChatBot”, which focused on developing an AI-based communication assistant using the Line platform. The internship provided them with hands-on experience in software development, chatbot integration, and user interaction design, while also allowing them to immerse themselves in Thailand’s rich culture and academic environment.

Yashashvi Jangid and Guruvend Bhagrav completed a two-month internship at Polytech Nantes, where they worked on the project “Interactive Slideshow Using Neural Network in Real Time.” Their research focused on integrating computer vision and neural network algorithms to create a dynamic presentation system capable of responding to real-time inputs. The experience exposed them to advanced AI applications and European research methodologies, broadening their technical and cultural horizons.

बीकेबीआईईटी के एनसीसी कैडेट्स ने विजय दिवस मनाया

पिलानी (मृदुल पत्रिका)। बीके बिरला इंस्टीट्यूट ऑफ इंजीनियरिंग एंड टेक्नोलॉजी के एनसीसी कैडेट्स ने करगिल विजय दिवस के अवसर पर वीर शहीदों को याद किया। एनसीसी कैडेट्स ने देश की रक्षा का संकल्प लेते हुए पेड़ लगाए। यह कार्यक्रम लेफ्टिनेंट अनिल कुमार और पी.आई. तेजपाल सैनी के नेतृत्व में आयोजित हुआ। कार्यक्रम के दौरान कॉलेज में पोस्टर प्रतियोगिता और काई प्रतियोगिता भी आयोजित की गई।

बीकेबीआईईटी संस्थान में मनाया राष्ट्रीय खेल दिवस

पिलानी। बीके बिरला इंस्टीट्यूट ऑफ इंजीनियरिंग एंड टेक्नोलॉजी (बीकेबीआईईटी) संस्थान में 1 राज सीटीआर एनसीसी यूनिट पिलानी, युवा एवं खेल मंत्रालय के तत्वधान में राष्ट्रीय खेल दिवस मनाया गया। बीकेबीआईईटी के प्राचार्य डॉ. अनिल कुमार शर्मा ने खेलों के महत्व पर प्रकाश डाला। कैडेट्स व विद्यार्थियों को खेलों से होने वाले लाभ के बारे में विस्तृत जानकारी दी। संस्थान निदेशक डॉ. एसएम प्रसन्ना कुमार ने कैडेट्स व विद्यार्थियों को शपथ दिलाई कि वे अपने जीवन के व्यस्ततम समय में से एक घंटा खेलकूद के लिए अवसर ही निकालें। कार्यक्रम की शुरुआत दौड़ के साथ हुई। इसके बाद कैडेट्स व विद्यार्थियों ने खो-खो, वॉलीबॉल, बास्केटबॉल और क्रिकेट जैसे खेलों में भाग लिया। लेफ्टिनेंट अनिल कुमार, पी.आई. तेजपाल सैनी, स्पোর্ट्स ऑफिसर शुभम भंडिया मौजूद रहे।

बीकेबीआईईटी में अमेज़न वेब सर्विसेज और आर्टिफिशियल इंटेलिजेंस पर कार्यशाला

पिलानी (मृदुल पत्रिका)। बीके बिरला इंस्टीट्यूट ऑफ इंजीनियरिंग एंड टेक्नोलॉजी में 18 सितंबर 2024 को अमेज़न वेब सर्विसेज (एडब्ल्यूएस) और आर्टिफिशियल इंटेलिजेंस (आईआई) पर एक शानदार कार्यशाला का आयोजन किया गया, जिसमें 200 से अधिक छात्रों ने भाग लिया। इस कार्यशाला का नेतृत्व लिविक्स वर्ल्ड के प्रमुख विशेषज्ञ विमल खन्ना और श्रीमती प्रीति खन्ना ने किया, जिन्होंने छात्रों और शिक्षकों को इन अत्याधुनिक तकनीकों के बारे में गहन जानकारी दी। कार्यक्रम में कॉलेज के निदेशक डॉ. एस.एम. प्रसन्न कुमार, जीएम कॉमर्शियल के.के. पारीक, और प्रिंसिपल डॉ. अनिल कुमार की उपस्थिति रही। इसके अतिरिक्त, कार्यक्रम के समन्वयक कंप्यूटर साइंस विभागध्यक्ष डॉ. निमेष कुमार, हिमांशु वर्मा, मोनिका शर्मा, और गौतम जागिड़ ने इस आयोजन को सफल बनाने में महत्वपूर्ण भूमिका निभाई। छात्र समन्वयक, ममन, अभिषेक, और प्रियंका ने भी आयोजन की व्यवस्थाओं में अहम योगदान दिया। छात्रों ने लाइव डेमो के माध्यम से एडब्ल्यूएस और आईआई के वास्तविक अनुप्रयोगों का अनुभव किया और दोनों विशेषज्ञों से सवाल पूछे।

बीके बिरला इंस्टीट्यूट ऑफ इंजीनियरिंग एंड टेक्नोलॉजी में 'पेपर बैग दिवस' पर कार्यशाला का आयोजन

पिलानी। बीके बिरला इंस्टीट्यूट ऑफ इंजीनियरिंग एंड टेक्नोलॉजी में 'पेपर बैग दिवस' के अवसर पर एक कार्यशाला का आयोजन किया। इस कार्यशाला का संचालन लेफ्टिनेंट अनिल कुमार और पी.आई. तेजपाल सैनी के मार्गदर्शन में हुआ। इस अवसर पर एनसीसी कैडेट्स ने पेपर बैग बनाकर प्लास्टिक बैग का उपयोग नहीं करने का संदेश दिया। लेफ्टिनेंट अनिल कुमार ने कार्यशाला का उद्देश्य बताते हुए कहा कि प्लास्टिक प्रदूषण के खिलफ लड़ाई में जागरूकता बढ़ाना और कागज के पैकों के उपयोग को प्रोत्साहित करना है। कार्यशाला में छात्रों ने बड़-चड़कर हिस्सा लिया और पेपर बैग बनाना सीखा। इस प्रयास से पर्यावरण संरक्षण के प्रति जागरूकता बढ़ाने और प्लास्टिक के उपयोग को कम करने का संदेश फैलाने का प्रयास किया गया।

बीकेबीआईईटी पिलानी में स्वतंत्रता की 78वीं वर्षगांठ मनाई

पिलानी (मृदुल पत्रिका)। भारत की स्वतंत्रता की 78वीं वर्षगांठ पर बीके बिरला इंस्टीट्यूट ऑफ इंजीनियरिंग एंड टेक्नोलॉजी, पिलानी ने स्वतंत्रता दिवस मनाया। कार्यक्रम की शुरुआत मुख्य अतिथि कर्नल अवतार सिंह शेखावत और सुखदेव मेजर बलवान सिंह, डॉ. प्रसन्न कुमार एसएम निदेशक, डॉ. अनिल कुमार शर्मा प्राचार्य बीकेबीआईईटी, डॉ. बीना नारायण प्राचार्य बीकेबीआईईटी, मनोज गोड प्राचार्य बीटीटीआई (डिलोमा) और कैप्टन जेपी सिंह, प्राचार्य बीटीटीआई (आर्टीआई) द्वारा राष्ट्रीय ध्वज फहराने के साथ हुई। कार्यक्रम प्रभारी डॉ. अनुपमा शर्मा और एनसीसी प्रभारी अनिल कुमार ने बताया कि इस अवसर पर कैडेटों द्वारा राष्ट्रीय सलामी दी गई और गीतों ने राखगान गाया। ध्वजारोहण समारोह के बाद एनसीसी कैडेटों की परेड हुई। इन संस्थानों के छात्रों और कैडेटों ने देशप्रेम गीतों पर प्रस्तुति दी। कार्यक्रम के अंत में पीछे लगाए गए और एनसीसी कैडेटों ने बीकेबीआईईटी के पेंस सीरी रोड से जिवेजी प्याज, राजाद रोड, गैस गोदाम, अंबेडकर कॉलोनी होते हुए कैप्टन तनू तिरंगा रैली का आयोजन किया।

बीकेबीआईईटी में वीएलएसआई पर सेमिनार आयोजित व प्रमाण पत्र वितरित किए गये

सीमा संदेश संवाददाता

पिलानी। पिलानी बीके बिरला इंस्टीट्यूट ऑफ इंजीनियरिंग एंड टेक्नोलॉजी में 2 अगस्त 2024 सुबह को वीएलएसआई पर सेमिनार आयोजित की गई व प्रमाण पत्र वितरण समारोह आयोजित किया गया। इस कार्यक्रम में प्रमुख अतिथि डॉ. अनिल कुमार शर्मा और पी.आई. तेजपाल सैनी के नेतृत्व में आयोजित किया गया।

सेमिनार निदेशक डॉ. एस.एम. प्रसन्न कुमार द्वारा प्रमाण पत्र प्रदान किए गए। प्रमुख अतिथि डॉ. अनिल कुमार शर्मा और पी.आई. तेजपाल सैनी के नेतृत्व में आयोजित किया गया। इस अवसर पर वीएलएसआई पर सेमिनार आयोजित किया गया। इस अवसर पर वीएलएसआई पर सेमिनार आयोजित किया गया। इस अवसर पर वीएलएसआई पर सेमिनार आयोजित किया गया।

लगातार नई तकनीकों को सीखने और अपनाने के लिए प्रोत्साहित किया। पूरा कार्यक्रम डॉ. संतोष जागिड़, एसओडी ईवीई की देखरेख में आयोजित किया गया था, और सभी उपस्थित लोगों के लिए एक अत्यधिक सैद्धांतिक और प्रैक्टिकल अनुभव प्रदान किया। वीएलएसआई पर सेमिनार आयोजित किया गया। इस अवसर पर वीएलएसआई पर सेमिनार आयोजित किया गया। इस अवसर पर वीएलएसआई पर सेमिनार आयोजित किया गया।

न्यूटन्स स्कूल ऑफ कोडिंग क्लब बीकेबीआईईटी द्वारा 'रोबोटिक्स बूटकैम्प - कॉन्सेप्ट टू कॉम्पटीशन' कार्यशाला का सफल आयोजन

खशी प्रसाद, पिलानी, बीकेबीआईईटी

न्यूटन्स स्कूल ऑफ कोडिंग क्लब (न्यूटन्स स्कूल ऑफ कोडिंग क्लब) ने हाल ही में एक ऑनलाइन कार्यशाला 'रोबोटिक्स बूटकैम्प - कॉन्सेप्ट टू कॉम्पटीशन' का आयोजन किया, जिसका मुख्य उद्देश्य प्रतिभागियों को रोबोटिक्स के क्षेत्र में प्रारंभिक विचारों से लेकर प्रतियोगिता तक तक की संपूर्ण समझ प्रदान करना था। इस कार्यशाला में छात्र राकेश और रोहन ने मुख्य वक्ता के रूप में अपने अनुभव और व्यावहारिक दृष्टिकोण साझा किए, जिससे प्रतिभागियों को रोबोटिक्स के सैद्धांतिक और व्यवहारिक दोनों पहलुओं को गहन जानकारी प्राप्त हुई। इस कार्यशाला का समन्वयक डॉ. हिमांशु वर्मा और कंप्यूटर विज्ञान विभाग के प्रमुख डॉ. निमेष कुमार हैं। कार्यशाला में एक इंटरएक्टिव प्रश्नोत्तर सत्र भी आयोजित किया गया, जिसमें प्रतिभागियों ने वक्ताओं से सीधे सवाल पूछे और अपने संदेहों को दूर किया। कार्यशाला के बारे में बात करते हुए कंप्यूटर

विज्ञान विभाग के प्रमुख डॉ. निमेष कुमार ने कहा, इस कार्यशाला का उद्देश्य छात्रों को रोबोटिक्स की गहरी समझ प्रदान करना था, जिससे वे न केवल प्रतियोगिताओं में भाग ले सकें बल्कि भविष्य में इस क्षेत्र में नवाचार कर सकें। इस तरह की कार्यशालाएँ छात्रों को कोशल को निखारने में महत्वपूर्ण भूमिका निभाती हैं। कार्यक्रम को समर्थन देने वाले बीकेबीआईईटी के निदेशक डॉ. एस.एम. प्रसन्न कुमार ने कहा, इस प्रकार की पहलों हमारे छात्रों

के विकास के लिए अत्यंत महत्वपूर्ण हैं। एनएससी जैसे कार्यक्रम का योगदान हमारे संस्थान के शिक्षण-प्रशिक्षण को नई ऊँचाई तक ले जा रहा है। वहीं, जीएम कॉमर्शियल, जी.के. के. पारीक ने कहा, इस कार्यशाला ने न केवल छात्रों को तकनीकी ज्ञान प्रदान किया बल्कि उनके टीम वर्क और समस्याओं को हल करने की क्षमताओं को भी प्रोत्साहित किया है। हमें गर्व है कि हमारे संस्थान में इस तरह के आयोजन होते हैं। प्राचार्य डॉ. अनिल कुमार ने भी इस अवसर पर कहा, 'कार्यशाला के माध्यम से छात्रों को जो अनुभव मिलता है, वह उन्हें न केवल प्रतियोगिताओं के लिए तैयार करेगा बल्कि उन्हें रोबोटिक्स के क्षेत्र में नवाचार करने के लिए प्रेरित भी करेगा।'

'बसंत-2024' का बड़े ही धूमधाम के साथ समापन

खशी प्रसाद, पिलानी, बीकेबीआईईटी

पिलानी में आयोजित 'बसंत-2024' कार्यक्रम का समापन 2024 का समापन बड़े ही धूमधाम के साथ हुआ। समापन समारोह में मुख्य अतिथि सीमा संदेश संवाददाता-सीरी पिलानी के निदेशक डॉ. सीमा संदेश संवाददाता और विशेष अतिथि में निदेशक पिलानी प्रोफेसर डॉ. विवेक के राठौर थे। समापन कार्यक्रम के अंतर्गत विभिन्न प्रकार के रोमांचक प्रतियोगिताएँ, प्रदर्शन और गैलरीजों में प्रदर्शन भी। निमेष कुमार के नेतृत्व में आयोजित कार्यक्रम का सफल आयोजन किया गया। कार्यक्रम के अंत में आयोजित किया गया। कार्यक्रम के अंत में आयोजित किया गया। कार्यक्रम के अंत में आयोजित किया गया।

BKBIET Team Warriors and Robo Rebels Achieve Success at Innov8 at JECRC University, Jaipur.

Team Warriors & Robo Rebels from B K Birla Institute of Engineering and Technology, Pilani, performed impressively at Innov8, a premier robotics and technology competition held at JECRC University, Jaipur. The team showcased their technical prowess in various robotics events including RoboWar, Robo Soccer and Robo Rush. Their efforts bore fruit as they secured a remarkable third position in the 15 kg and 8 kg category RoboWar.

The team, comprising talented members Rakesh, Roohar, Vahid, Soham, Dhruv, Dahiya and Anil Kumar, was given expert guidance by the Head of the Department Dr. Santosh Jangid and D.C. Sharma, whose guidance played a vital role in the team's outstanding performance. The success of Team Warriors & Robo Rebels at the JECRC Jaipur Innov8 Tech Fest is a testimony to the unwavering support and guidance provided by the faculty and administration of BKBIET Pilani.

बीकेबीआईटी में "आईटीई छात्र दिवस" मनाया

पिलानी दर्पण खंडेलवाल बीकेबीआईटी में आईटीई पिलानी केंद्र और आईएसएफ ने 1 मार्च, 2025 को हाइड्रोजन मोड में "आईटीई छात्र दिवस" मनाया। इसका आयोजन एप्लाइड साइंस एंड इंगीनियरिंग डिपार्टमेंट, छात्र कल्याण, बीकेबीआईटी और उद्योगिता जगल्लुका कार्यक्रम, सीरी के सहयोग से किया गया, जिसमें एपएसएमई भारत सरकार द्वारा प्रायोजित किया गया था। समारोह की शुरुआत डॉ. कृष्ण मील, संस्थापक समन्वयक, आईएसएफ बीकेबीआईटी पिलानी और डॉ. गौड़, के. गुप्ता, विभागाध्यक्ष, एप्लाइड साइंस एंड इंगीनियरिंग डिपार्टमेंट के स्वागत के साथ हुई, इसके बाद बीकेबीआईटी पिलानी में छात्र कल्याण की प्रोफेसर इंचार्ज डॉ. दिशा द्वारा मूलवस्तु भेंट किया गया। डॉ. शिव कुमार, उपाध्यक्ष, तकनीकी कार्यक्रम आउटरीच समिति, आईटीईई नई दिल्ली ने उपस्थित लोगों को वर्षभर की संवोधित किया और भविष्य को आकार देने में प्रौद्योगिकी और नवाचार की भूमिका के बारे में एक प्रेरक संदेश देते हुए ऑनलाइन मोड में अध्यक्ष का संदेश पढ़ा।

यज्ञा: दुर्धित व्यक्ति की गतिशीलता और शिक्षा पर एक व्यावहारिक व्याख्यान दिया। उन्होंने शिक्षा और गतिशीलता में दुर्धित व्यक्ति की सहायता करने वाली तकनीकी प्रगति और नवाचारों पर प्रकाश डाला। दूसरे वक्ता प्रो. चंद्रशेखर, अध्यक्ष, आईटीई पिलानी केंद्र ने "एप्टीट्यूड समुद्रि के इंस का बना" पर वक्ताओं को वर्षभर की संवोधित किया, जिसमें विस्तार से बताया गया कि कैसे विज्ञान, प्रौद्योगिकी, इंजीनियरिंग और गणित (एप्टीट्यूड) राष्ट्रीय विकास और समाज के विकास के लिए मूलभूत स्तंभों के रूप में काम करते हैं। बीके बीआईटी पिलानी के जीएम कमर्शियल श्री केके पारीक और बीकेबीआईटी के प्रिंसिपल डॉ. अनिल शर्मा ने विशिष्ट अतिथि वक्ताओं को प्रशंसा का प्रतीक भेंट किया और हमारे छात्रों के कल्याण के लिए अपना बहुमूल्य समय देने के लिए उनका आभार व्यक्त किया। कार्यक्रम का समापन सीएसआईआर-सीरी पिलानी के वरिष्ठ प्रधान वैज्ञानिक डॉ. रवींद्र मुखिया द्वारा धन्यवाद ज्ञापन के साथ हुआ, जिसमें उन्होंने बीकेबीआईटी और आईटीई पिलानी केंद्र दोनों संगठनों के सभी योगदान को स्वीकार किया। कार्यक्रम का समापन रागानन के साथ हुआ, जिसके बाद हाई-टी सेन हुआ, जिसमें छात्रों और प्रोफेसरों के लिए नेटवर्किंग का अवसर प्रदान किया गया।

बीकेबीआईटी के छात्रों ने 3-डी प्रिंटिंग और पीसीबी डिजाइन कार्यशाला में लिया भाग

खखरी प्रशाद, पिलानी

बिस् पिलानी के पिलानी इनोवेशन एंटरप्रेन्योरशिप डेवलपमेंट सोसाइटी द्वारा आयोजित 3-डी प्रिंटिंग और पीसीबी थू-होल टेक्नोलॉजी डिजाइन कार्यशाला में बीकेबीआईटी पिलानी के 26 छात्रों ने उत्साहपूर्वक भाग लिया। इस कार्यशाला का उद्देश्य छात्रों को 3-डी प्रिंटिंग और पीसीबी डिजाइन के व्यावहारिक पहलुओं से अवगत कराना था। छात्रों ने सर्किट डिजाइन, लेआउट और असेंबली प्रक्रियाओं को सीखा और 3-डी मॉडलिंग और टीएचटी पीसीबी असेंबली का अनुभव प्राप्त

किया।

इलेक्ट्रॉनिक्स एंड कम्प्यूटेशन इंजीनियरिंग विभागाध्यक्ष, डॉ. संतोष जांगिड़ ने बताया कि इस तरह की कार्यशालाएं छात्रों के तकनीकी कौशल और नवाचार क्षमता को बढ़ाने में सहायक होती हैं। कार्यशाला का समापन प्रश्नोत्तर सत्र के साथ हुआ, जहां छात्रों ने अपने संदेह दूर किए और आगे की सीख पर चर्चा की। बीकेबीआईटी के जीएम कमर्शियल के.के. पारीक और प्राचार्य डॉ. अनिल कुमार शर्मा ने छात्रों को बधाई देते हुए इस तरह के आयोजनों को करियर विकास के लिए महत्वपूर्ण बताया।

बंसन्त बिरला कालेज फैकल्टी एन्हांसमेंट प्रोग्राम का उद्घाटन भव्य समारोह

पिलानी (हुब्सननामा समाचार)। इंस्टीट्यूट ऑफ इंजीनियरिंग एंड टेक्नोलॉजी (बीकेबीआईटी), पिलानी में टीचिंग लर्निंग सेंटर ने फैकल्टी एन्हांसमेंट प्रोग्राम का उद्घाटन करने वाले इस कार्यक्रम का उद्देश्य विभिन्न विषयों में संकाय सदस्यों के कौशल और शैक्षणिक विशेषता को बढ़ाना है। उद्घाटन समारोह में प्रतिष्ठित शिक्षाविदों और संकाय सदस्यों ने भाग लिया, जिन्होंने निरंतर विकसित हो रहे शैक्षणिक परिदृश्य में निरंतर व्यावसायिक विकास के महत्व पर जोर दिया। कार्यक्रम की शुरुआत टीएलसी के प्रोफेसर इंचार्ज डॉ. मनुस्मृति शर्मा के स्वागत भाषण से हुई, जिसके बाद के के पारीक (जीएम कमर्शियल) ने उच्च शिक्षा में नवीन शिक्षण पद्धतियों और कौशल वृद्धि के महत्व पर प्रकाश डालते हुए एक व्यावहारिक मुख्य भाषण दिया।

समारोह भर चलने वाले इस कार्यक्रम में विशेषज्ञों के नेतृत्व वाली कार्यशालाएं, संवादात्मक सत्र और व्यावहारिक प्रशिक्षण शामिल होंगे, जो शिक्षकों को आधुनिक शिक्षण रणनीतियों, शोध पद्धतियों और प्रौद्योगिकी-संचालित शिक्षण उपकरणों से लैस करने के लिए डिज़ाइन किए गए हैं। प्रतिभागियों को विषय वस्तु विशेषज्ञों के साथ जुड़ने और छात्र सीखने के परिणामों को बढ़ाने के लिए

बीकेबीआईटी में मनाया गया 76वां गणतंत्र दिवस समारोह

पिलानी दर्पण खंडेलवाल बीकेबीआईटी में बीकेबीआईटी के एनसीसी कैडेटों ने आज 76वें गणतंत्र दिवस के अवसर पर एक एनसीसी ऑफिसर लेफ्टिनेंट धर्मेन्द्र और अन्य अतिथियों ने भाग लिया। समारोह की शुरुआत राष्ट्रीय ध्वज के आरोहण के साथ हुई। इसके बाद एनसीसी कैडेट्स ने एक भव्य मार्चिंग परेड का आयोजन किया, जिसमें उन्होंने अपने अनुशासन और संगठन का प्रदर्शन किया। परेड के दौरान, एनसीसी कैडेट्स ने राष्ट्रीय ध्वज को सलामी दी, जिसे उपस्थित अतिथियों ने खड़े होकर सम्मानित किया। इसके बाद निदेशक डॉ. प्रसन्न कुमार एस. एम. और जी.एम. कमर्शियल के.के. पारीक ने भाषण दिया, जिसमें उन्होंने देश के प्रति अपने कर्तव्यों को याद दिलाते। 1 राज सीटीआर एनसीसी पिलानी के तलावधान में भीटीआई और उपस्थित थे।
