Session 2025-26

ISSUE-1

(Jul-Sept, 2025)

B K Birla Institute of Engineering & Technology is one of the premier industry-oriented and application-driven institutes in India. Shree Krishnarpan Charity Trust, under Chairmanship of renowned industrialist Mr Basant Kumar Birla, set up BKBIET in 2007.

The Institution has been true to its commitment in providing quality education in Engineering and Technology. Our strong alliances with leading international universities, industries and professional bodies have increased access to latest education, opportunities for engagement and exchange, collaborative research and innovation for our students and faculties. We believe the best way to help BKBIETians meet challenges is to provide a supportive and enriching environment.

Vision

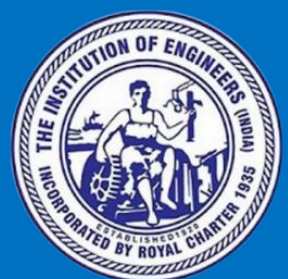

Excel as an outstanding application-oriented and innovation-driven engineering institute. Inspire future Engineers to apply technology for solving real world challenges.

Mission

Create a platform for igniting ingenuity and path-breaking engineering applications for the India of future.

Student Branch

MOU's

MOU with CSIR CEERI Pilani

BKBIET has signed MoU with CSIR-CEERI, focusing on strengthening local academic and research ties. This partnership will facilitate the exchange of scientific staff and students, joint supervision of M.Tech, M.S., and Ph.D. students, and collaborative research programs. The agreement also includes sharing of laboratory facilities and the creation of virtual incubation and entrepreneurial programs to enhance students' skills.

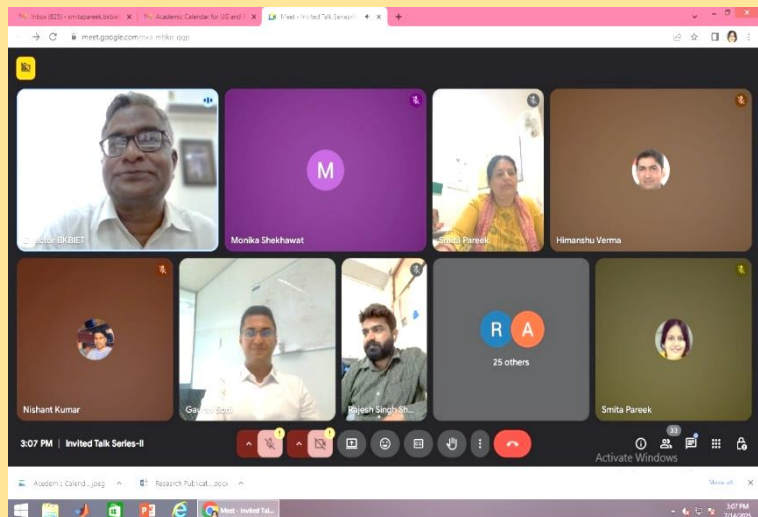

MOU with Ho Chi Minh City University of Technology and Education (HCMUTE) in Vietnam

BKBIET has signed MoU with Ho Chi Minh City University of Technology and Education (HCMUTE) in Vietnam. This international partnership will provide students and faculty with opportunities for academic exchanges, internships, and collaborative learning initiatives. It also emphasizes joint research projects and promotes cultural exchange, which will enrich students' global perspectives.

WEBINAR , SEMINAR & EXPERT TALK

Leading the Future: Integrating Strategy, Innovation & Inclusive Culture (14 July 2025)

Department of Electrical Engineering, BKBIET, Pilani, successfully organized Invited Talk Series – II on Monday, 14th July 2025. The theme of the session was "Leading the Future: Integrating Strategy, Innovation & Inclusive Culture." The keynote speaker, Mr. Gaurav Soni, Team Lead at Siemens, Netherlands. In his insightful talk, discussed how organizations can shape the future by integrating strategic planning, fostering innovation, and building inclusive work cultures. Drawing from his leadership journey and real-world projects at Siemens, he emphasized the importance of adaptability, culture-based collaboration, and human-centered innovation in achieving sustainable success.

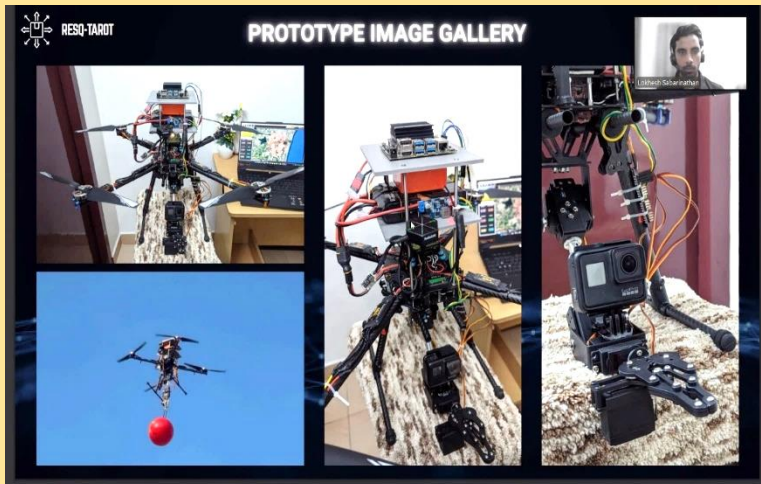

Alumni Talk on Career Paths & Industry Insights (26 July 2025)

Department of Electrical Engineering, BKBIET, Pilani, successfully organized Invited Talk Series – III on Saturday, 26th July 2025. The theme of the session was "Alumni Talks on Career Paths & Industry Insights". The keynote speaker and alumni of the department Mr. Rounak Agarwal, Senior Embedded Firmware Developer at STRYKER, India. Discussed about the opportunities, available for Electrical Engineers in processing sectors. Drawing from his leadership journey and real-world projects in Medical sectors, he emphasized the importance of adaptability, culture-based collaboration, and human-centered innovation in achieving sustainable success. The session witnessed enthusiastic participation from students and faculty members.

Seminar on "Engineering My Way Abroad: Lessons, Logistics & Life Abroad" (18 Aug 2025)

Department of Computer Science & Engineering, BKBIET, Pilani, successfully organized the seminar on "Engineering My Way Abroad: Lessons, Logistics & Life Abroad". The seminar was delivered by Dr. Nupur Mittal, distinguished alumna of the 2007–11 batch, Computer Science Engineering. Dr. Mittal is an Eiffel, Erasmus Mundus, and Raman-Charpak scholarship awardee. She holds an M.Tech. in Data Science and Knowledge Management from Université Lumière Lyon 2 and earned her Ph.D. from INRIA Rennes, France, where she carried out cutting-edge research in computer science. Currently, she is serving as a Supply Chain Strategy Specialist and Planner at ArcelorMittal, Luxembourg.

Drone Technology Webinar (8 Sept 2025)

The Entrepreneurship Cell (E-Cell) of BKBIET, Pilani, in collaboration with the Institution of Engineers (India), Pilani Local Centre, and Tinker Tutor, organized a Webinar on Drone Technology. The session aimed to provide students with insights into the fundamentals of drone design, assembly, applications, and future career opportunities in the drone industry.

The session was conducted by Mr. Lokhesh Sabarinathan, an expert in drone technology and innovation. He shared his knowledge and practical experiences in the field, inspiring students to explore entrepreneurship and research opportunities in this rapidly growing domain. The speaker highlighted the role of drones in surveillance, defense, disaster management and rescue operations

हिन्दी दिवस – 2025 (13 Sept 2025)

साहित्यिक क्लब एवं अनुप्रयुक्त विज्ञान एवं मानविकी विभाग, बीकेबीआईईटी के संयुक्त तत्वावधान में हिन्दी दिवस समारोह का आयोजन 13 सितम्बर को किया गया। समारोह का उद्देश्य विद्यार्थियों में हिन्दी भाषा के प्रति जागरूकता, अभिव्यक्ति कौशल और सांस्कृतिक जुड़ाव को प्रोत्साहित करना था।

इस अवसर पर विद्यार्थियों के लिए निबंध लेखन, वाद-विवाद, पोस्टर मेकिंग/स्लोगन राइटिंग, टेक्निकल प्रेजेंटेशन (हिन्दी), तथा कविता पाठ प्रतियोगिताओं का आयोजन किया गया। सभी प्रतियोगिताओं में विद्यार्थियों ने उत्साहपूर्वक भाग लिया और अपनी रचनात्मकता एवं प्रतिभा का प्रदर्शन किया।

‘GATEway to Success’ Seminar (19 Sept 2025)

The Kalash Skill Development Club at BKBIET Pilani successfully organized a seminar titled “GATEway to Success” on 19 September 2025, aimed at providing guidance and motivation to students preparing for the GATE 2026 examination. The seminar featured key speakers including Assistant Professors Mr. Ramakant Soni (CSE Department), Dr. Nishant Kumar (EE Department) and Dr. Manoj Bhatt (ECE Department), who shared valuable insights on exam strategies, subject-wise preparation and the wide range of career opportunities available through GATE.

A special video session was also contributed by Dr. Shashank Gupta, Associate Professor at BITS Pilani, offering targeted guidance for students.

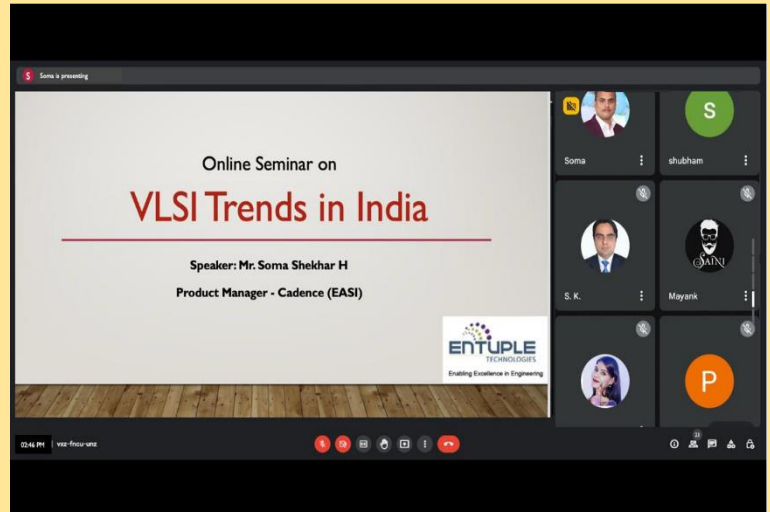

The event witnessed active and enthusiastic participation from students across various branches, who engaged meaningfully with the speakers and gained practical direction for their GATE preparation journey.

Seminar on "VLSI Trends in India" (17 Sept 2025)

An online seminar on the topic "VLSI Trends in India" was organized on 17 Sept 2025. The event was conducted by the IEEE Student Chapter. Assistant Professor Dr. Puneet Khatri and Head of the ECE Department Dr. Santosh Jangid coordinated the program.

The keynote speaker of the session was Mr. Soma Shekhar H, Product Manager, Cadence (EASI). Highlighting India's growing global role, Mr. Shekhar explained how VLSI design is making significant contributions to the development of electronics, artificial intelligence, IoT, and communication systems. Emphasizing the importance of EDA tools, particularly Cadence software, in chip development, he guided students on the skills and knowledge required to build a career in the VLSI domain.

WORKSHOPS & FDP

FDP on "Enhancing Communication Skills for Better Classroom Teaching" (21-26 July 2025)

The Teaching and Learning Centre (TLC) at B.K. Birla Institute of Engineering and Technology (BKBIET), Pilani, successfully organized a One-Week Faculty Development Programme (FDP) from 21st to 26th July 2025 on the theme "Enhancing Communication Skills for Better Classroom Teaching" under 'Train the Trainer' initiative. The FDP aimed at equipping faculty members with effective communication strategies crucial for engaging classroom delivery, fostering student participation, and enhancing overall learning outcomes. The program was coordinated by Dr. Manusmriti Sharma, Professor-In Charge TLC, under constant encouragement and mentorship of Prof. B. K. Rout, Director, B K. Birla Group of

Institutions, and Prof. Anil Kumar Sharma, Principal, BKBIET. The valedictory session, held on 26th July 2025, was graced by Prof. Sangeeta Sharma, Head, Department of Humanities and Social Sciences, BITS Pilani, as the Chief Guest. Prof. Sharma, in her address, emphasized the transformative role of communication in effective teaching and the responsibility of educators in building inclusive, learner-centered classrooms.

Hands-on Workshop on Android App Development (12 Sept 2025)

A one-day workshop on Android App Development was successfully organized under the aegis of the Department of Computer Science Engineering. Mr. Vijesh Saini from Skill Upgrade (One Pixel Soft Pvt. Ltd., Jaipur) was invited as an expert speaker in the workshop, who made the students aware of the latest technologies and practical aspects of mobile application development.

Mr. Saini gave detailed information about the basic structure of Android app development, user interface design, coding practices, debugging and testing. During the workshop, the students were provided step-by-step guidance so that they could develop their own small applications.

Robotics Simulation Workshop (15 Sept 2025)

NSCC BKBIET, Pilani organized a hands-on workshop on Robotics Simulation using ROS-2 and Gazebo on 15th September 2025 to celebrate Engineers' Day. The session focused on practical exposure to robotics simulation. Students learned about ROS 2 integration, setting up robot models, and running simulations in Gazebo. The workshop concluded with an interactive Q&A session where participants discussed applications in projects, competitions, and industry. It fostered innovation, collaborative learning, and technical growth, making it a highly valuable and engaging experience for all attendees.

HACKATHON CONDUCTED

Ideathon (15 Sept 2025)

The Ideathon 2025, organized on Engineers' Day (15th September 2025) at B. K. Birla Institute of Engineering & Technology, Pilani, brought together young innovators to present their ideas, prototypes and startup concepts. A total of 10 teams showcased creative solutions addressing real-world challenges, reflecting the talent and potential of future engineers. The event was judged by Mr. Pardeep Singh Shekhawat, Mr. Guttam Jangir, and Mr. Vikas Poonia, who appreciated the novelty and practical applications of the projects. Students participated with great enthusiasm, event successfully encouraged innovation, entrepreneurship, and the spirit of engineering among students.

In the event chief guest was Prof A P Singh, Dean Admission & Student Financial Aid, BITS Pilani. Shri K K Pareekji was a special invitee. During the program Prof B K Rout, Director B K Birla Group of Institutions, Pilani gave welcome speech. The chief Guest, Prof. A P Singh, also inspire the audience by sharing his experience as an academician. He also stated that it's the duty of all the teachers to give a disciplined and kind person to the society.

A strategic meeting on VLSI Design and Verification (21 July 2025)

A strategic meeting on VLSI Design and Verification (VLSI-DV) was held at BKBIET, Pilani, bringing together academia and industry to strengthen collaboration in the semiconductor domain. Chaired by the BKBIET administration, the meeting saw participation from Director Prof. Bijay K. Rout, Principal Dr. Anil Kumar Sharma, Department Head Dr. Santosh Jangid, Training and Placement Officer Mr. Reetesh Gautam, along with Truechip Vice President Mr. Sonal Handa and his team. The discussions focused on encouraging Computer Science students to explore VLSI-DV opportunities, promoting synergy with premier institutions like BITS Pilani. The initiative is viewed as an important step toward boosting India's semiconductor talent pipeline and advancing technical education in the country.

Engineers Day Celebration by IETE (15 Sept 2025)

BK Birla Institute of Engineering & Technology, Pilani celebrated Engineer's Day 2025 with great enthusiasm, honouring the legacy of Bharat Ratna awardee Sir M. Visvesvaraya.

The celebration began with the Lamp Lighting Ceremony, followed by a technical talk on "Affordable Assistive Mobility Solutions for Disabled Individuals" – Power Assistive Hybrid E-Trike and Smart Power Wheelchair" delivered by Dr. Bhausaheb Ashok Botre, Senior Principal Scientist, CSIR-CEERI, Pilani.

A day witnessed exciting events including LAN Gaming, Treasure Hunt, Robotics Workshop, Project Presentations and Ideathon where students showcased creativity, teamwork and innovation.

In the Valedictory Session, Chief Guest Prof. Manoj Soni, Chairman, IEI India & Professor at BITS Pilani, delivered an insightful talk on "Spiritual Thermodynamics". This was followed by the Certificate Distribution Ceremony for winners of Engineer's Day events.

Treasure Hunt Event by IETE (15 Sept 2025)

To celebrate Engineers Day, IETE Student Forum (ISF) in collaboration with the Science Club, BKBIET and supported by the IETE Pilani Centre, organized an exciting and intellectually stimulating Treasure Hunt Event. The aim was simple yet powerful to encourage students to think creatively, solve problems, collaborate as a team, and enjoy the spirit of engineering in a fun way.

INDUCTION PROGRAMME

TECHNICAL VISIT

CSIR-CEERI Visit (26 Sept 2025)

The students of the Electrical Engineering Department, BKBIET, visited CSIR-CEERI, Pilani on 26th September 2025 to explore advanced sensor-based technologies. During the visit, the students learned about various sensor-based technologies and observed different types of semiconductors and their fabrication processes, including the growth of diamond on silicon substrates. They also explored the plasma generation machine and gained insights into several on-going research projects, including those related to healthcare applications. The visit to the Electronics Science Gallery at CSIR-CEERI allowed students to understand the evolution of sensors and machinery components, as they compared earlier technologies with modern advancements.

GAMES & SPORTS

National Sports Day 2025 (29-31 August 2025)

BKBIET, Pilani celebrated National Sports Day 2025 from August 29 to 31 to mark the birth anniversary of hockey legend Major Dhyan Chand. Sports Day, observed nationally on August 29, highlights the importance of sports in building a healthy and disciplined society. This year's celebration also aligned with the United Nations' declaration of 2025 as the International Year of Camelids, acknowledging the livelihood importance of camelid species in various global ecosystems. The three-day sports event at BKIET featured competitions in cricket, volleyball, basketball, kho-kho, and running. Students from BKBIET, BKBIHE Pilani, and players from the Pilani Cricket Academy actively participated, showcasing strong athletic spirit and teamwork. The celebration reinforced the institute's commitment to promoting sportsmanship, fitness, and holistic development among students.

Engineers Day E-Sports Tournament (15 Sept 2025)

On the occasion of Engineers' Day, an eSports Tournament was organized. The event aimed to encourage teamwork, strategic thinking, and a competitive spirit among students through the medium of gaming.

The tournament featured three popular titles — BGMI, Free Fire, and Valorant. Students participated enthusiastically, forming teams to compete in their respective categories. Each match showcased the participants' coordination, quick decision-making, and technical proficiency. The atmosphere remained energetic throughout the event, with players and spectators alike contributing to its success.

The event concluded with the final rounds determining the winning teams for each game. The winners were recognized for their outstanding performance and sportsmanship.

Team Warriors' Victory at Technoxian World Cup 9.0 (30 Aug-2 Sept 2025)

Team Warriors of BK Birla Institute of Engineering & Technology (BKBIET), Pilani, brought laurels to the institute by winning two championships at the Technoxian World Cup 9.0, the world's largest robotics competition featuring participants from more than 20 countries. Representing BKBIET and India on the global stage, the team secured first place in both the 15kg and 60kg Robowar categories, defeating strong opponents from Nepal in the finals. The robots were led by Ankit Kumar (CSE, Final Year), whose performance was strengthened by mentors Mr. Rakesh, Mr. Roshan, Mr. Amit Kumar, Mr. Bhervesh Dahiya, and Mr. Vishal Swami. Their innovative defense-wedge design and precise combat strategies played a decisive role, giving the team a clear tactical advantage throughout the competition. BKBIET leadership, including Prof. B. K. Rout (Director) and Dr. Anil Sharma (Principal), congratulated the team for their international success. They also acknowledged the valuable guidance of Mr. D. C. Sharma, Dr. Nimish Kumar, Mr. Himanshu Verma, and Dr. Hasibur Rahman, whose mentorship further strengthened the team's preparation. This remarkable double victory positions BKBIET Pilani among leading global performers in robotics and inspires future students to excel on international platforms.

PLACEMENTS

8 Students Selected in Secure Meters (30 Aug-2 Sept 2025)

BKBIET Pilani conducted a campus recruitment drive for the 2025–26 batch, in which eight outstanding students were selected by Secure Meters, a leading company in the energy sector. The institute organized the placement drive under the Training & Placement Cell, where the company selected students for various technical roles after a rigorous multi-stage process.

Institute Director Prof. Bijay Kumar Rout expressed happiness over the students' success and stated that BKBIET continuously works toward building strong industry connections to ensure better career opportunities for students. Principal Dr. Anil Kumar Sharma congratulated the selected students and applauded the efforts of the Training & Placement Cell for facilitating successful placements.

Training & Placement Officer Mr. Reetesh Gautam said that Secure Meters has always been a trusted and reputed recruiter for the institute and this year's results once again reflect the high-quality technical skills of BKBIET students.
